

ARC Industries moves downtown

ARC Industries has moved downtown. And it's a move that has pleased staff and employees.

In mid-August the Adult Rehabilitation Centre that has spent the last 10 years at the Lakeview Centre on the outskirts of Haliburton Village,

David Irwin shapes wood

moved into the former Skyline Automotive Building (next to the Haliburton Legion Hall) and has become a more visible industry in town.

"We have become part of the community", says Robert McLagan, manager of ARC. The move was planned as ARC began to revamp its goals because it wanted to lose the connotation of being a school. And being in the same building as Sir Sandford Fleming College fostered that idea, McLagan said.

He said some handicapped adults were unwilling to join ARC as they did not wish to attend school any longer. Employees can range in age from 18 to 65 and ARC is now operating at its approved level of 14 employees. McLagan says the number could be increased to 20 in the new refurbished surroundings but more staff would be needed and approval would have to be granted by the Ministry of Community and Social Services, which funds 80 per cent of the project.

The remainder of the funding for ARC and the residence for the mentally retarded is provided by the Haliburton and District Association for the Mentally Retarded. The association's main fund raising event is the Flowers of Hope campaign

opened as a retail shop near Christmas time, he said.

Presently ARC sells its wood products to stores on consignment or through mail orders, with a large percentage of their sales occurring in the summer months.

ARC operates as a small factory producing wooden products with each employee specializing in a certain aspect of the production. While some employees operate machinery, others sand, glue and paint. "It's not all in a straight line, it's back and forth," McLagan explained.

Work begins at 9 a.m. and employees take up their positions until 10:10 a.m. when an approved industrial fitness program is organized to help stimulate the workers. After their fitness program they have a short break and return to their jobs until noon hour. After an hour-long break, production begins at 1 p.m. and continues until 2 p.m. The employees have a half-hour break and then resume work for another half-hour. At 3 p.m. production stops for the day and a 15 minute clean-up prepares the factory for the next day. Workers then either catch the school bus or walk half a block to the association's residence.

work place, the centre provides long term employment. While the hourly rate of pay is not minimum wage, employees receive government pensions that regulate the wage they are paid.

Please turn to Page 3

Production line encourages employees' skills

that is currently underway. This year, 4,200 envelopes, containing flower bulbs, have been sent to residents in all communities in the county in hopes of reaching the group's goal.

"It has been the communities that have consistently supported the shop," McLagan said.

Although the group is grateful for the support it receives from area residents, McLagan said the employees hope to generate more money from their new shop. Along with the woodworking shop, the front office of the building will be

While the downtown location is convenient for the six employees who live at the residence it also allows the ARC employees to be part of the community's business life. They can go for a coffee or a snack on their breaks and interact more with the community than was possible at the Lakeview Centre location. And that in itself helps the staff at ARC promote its goals of helping the employees to enjoy job training that can lead to other jobs in the communities.

As well as helping the employees adjust to the

Two candidates set Dysart election plans

Interest in the upcoming municipal elections still continues and this week Lloyd Leadbeater announced that he will be a candidate in ward three, one of the newly proposed wards in the Municipality of Dysart et al. If approval of the new ward system is not received before the election, Leadbeater would reside in the present ward two.

Leadbeater, who resides in Toronto and has a cottage at Harcourt Park spends five

days out of seven at Harcourt has a real interest in the community. When the news of possible change in wards was announced, Leadbeater said he decided to run.

Leadbeater, a part-time consultant who is presently retired from his business in plastic and tool-making, says he has been coming to Harcourt Park since 1961 and in 1942 he was a guest at Elephant Lake Lodge. He is president of Harcourt Park Incorporated and has served as a member of the board of directors since 1962.

In ward one, which will not be affected by the possible change in wards, Dorothy Baker, a life-long resident of the area, has announced she will run as councillor.

Baker has been actively involved in the community and feels she is "in tune with the needs of both senior and junior members of our community".

Presently she is serving her second term as a member of the community centres board and has been an active member of the Figure Skating Club for over 10 years.

Baker said it was her "strong concern and interest in the people and the direction of our community", that urged her to run for council.

Real Estate Board honours private property week

The Haliburton and District Real Estate Board, in cooperation with the Ontario Real Estate Association is sponsoring its second annual private property week from October 3 to 11.

This year's theme is "preserving the spirit of our land" and is designed to evoke the memories of pioneers who came to Canada and to Ontario to own and enjoy property. Organizers also hope it will remind the public to preserve the spirit and the concept of private property ownership and rights.

Although private property Please turn to Page 2

The Haliburton Huskies Junior C team played tough to come up with a 5-5 tie against Parry Sound, Sunday afternoon. It was the Huskies season debut and the

local crowd was not displeased by the calibre of hockey it witnessed. For game details see page six.

No ward objections filed

Dysart officials await official approval of changes

In all likelihood, Dysart et al will have a seven member council after the municipal elections, November 8.

Although the municipality has not received official confirmation from the Ontario Municipal Board, it is anticipated that approval will be received within the next week. No objections were filed against the by-law that will see two new wards created in the largest municipality of the county.

Presently the by-law is being considered by the Ontario Municipal Board.

Although the scheme to reorganize the three ward system began at least four years ago, it wasn't until this summer that the council made the move to try to equalize the representation on council. The present ward boundaries have been in place since 1954.

The move to modify the ward system was hoped to be more fair to ratepayers in the eastern sector of the township. In past council discussions it has been noted

that Harcourt residents could not influence an election significantly enough to gain representation on council, if the present ward system continued.

Councillor Gary McKnight, who has represented Harcourt within the boundaries of ward two, pre-

viously expressed concern that it was difficult to respond to complaints and inquiries made by constituents in such a large geographic area.

The ward system was designed to give equitable representation to all electors in the municipality.

If official approval is re-

ceived, the new council will be made up of five councillors, a deputy-reeve and reeve.

Since nominations for the upcoming municipal elections close next week approval must be forthcoming immediately if to be enacted before council's next term of office.

Eakins appointed to review

Summer recess not relaxing for provincial member

While the Ontario Legislature does not officially reconvene until October 12, the role of the member does not significantly change. The needs and concerns of the constituents must be attended to, and this summer has been a busy one, according to Victoria - Haliburton MPP John Eakins.

Added to this, Eakins accepted an appointment by provincial leader, David Pe-

terson, to serve on the Select Committee of the Ombudsman at Queen's Park during September. Having served previously on the committee for several years, Eakins recognizes the importance of the work of the Ombudsman and of the Select Committee.

the Ombudsman has had under review for sometime.

During the third week of scheduled sittings, the committee visited Ombudsman offices and provincial facilities in northern Ontario.

"While it is often difficult to assess one's responsibilities both in the legislature and in the constituency, I am however pleased to accept this wider responsibility," Eakins said.

TVOntario could come to Haliburton areas

Rhonda Elstone, regional councillor for TVOntario, wants interested citizens to help form a steering committee to push the provincial government to provide this service to Haliburton Highlands.

At an information meeting, last Thursday, area residents were given a preview of the in-school, adult and educational viewing available in other parts of the province.

Elstone said she was pleased with the approximately 25 people who attended the meeting to discuss TVOntario's programming that is presently only available in this area via cable (channel 19, cable 6).

While TVOntario has become available in more heavily populated areas, there is concern that this programming may not be forthcoming soon, as government spending is cut back.

Elstone says that if enough citizens are interested and express concern to the Ministry of Citizenship and Culture, TVOntario could become a reality to all residents in Haliburton County.

Elstone said the public must first be informed of what TVOntario is and then an intensive effort to gain support for the need of the

station will have to be undertaken.

The most opportune time to establish a steering committee would be immediately now that some interest has been created. Anyone interested in volunteering to serve on the committee should contact Elstone.

Laxton, Digby

Longford get

\$2,670 grant

A community planning study grant of \$2,760 was awarded to the Township of Laxton, Digby and Longford, recently.

The grant will assist the township to prepare a comprehensive new zoning by-law.

Community planning study grants are designed to encourage municipalities to review and update their planning programs, zoning by-laws and other planning documents.

They may also be used for special studies on lakeshore development or commercial development along highways, and for energy-conserving planning measures.

Nominations called

October 18 at 5 p.m. is deadline

The election day, November 8, for voters to choose their municipal representatives for the next three years is drawing close.

Lists of electors are now posted in most municipal offices and should be checked by voters to ensure they will be eligible to vote in their respective municipalities. Inclusions, additions or corrections to the voters list will be accepted at the municipal offices until October 20.

Candidates wishing to be nominated to a municipal position must submit their nomination papers to the eligible municipal office by October 18 before 5 p.m.

Nominations may be filed

at the municipal offices during the four preceding days. If enough candidates are not nominated to fill the municipal or board of education seats, nomination deadlines will be extended until October 20.

Echo office to be open

The office of the Haliburton County Echo will be open on Thanksgiving Monday.

Regular deadlines of Monday at 5 p.m. will apply to all classified advertisements.

The Echo staff hope all residents and visitors in the Highlands have a safe and happy holiday week-end.

Briefly...

Ricochet hits hunter

A hunter was injured last Wednesday when his shotgun discharged while he was placing it in its case.

Glen Scott, 26 of Oshawa, was hunting and fishing with a companion on Big East Lake in Anson Township when his 410 gauge shotgun discharged. The pellets struck the ground between his legs and then ricocheted into his feet.

Scott was initially treated at Minden Hospital and then transferred to Lindsay Hospital for surgery.

Stolen van found

A van, stolen from Toronto two days earlier, was discovered behind a rock formation beside Highway 118 west of Carnarvon, last Tuesday.

When the 1980 vehicle was found, the plates, doors and lights had been removed.

Cottage broken into

Five thousand dollars worth of goods were taken from a cottage on Misty Vale Trail in Lutterworth Township, recently.

Included in the theft were stereo equipment, an outboard motor, fur coats, a television and a chainsaw.

Two cars collide

Two cars collided on the crest of a hill on Twelve Mile Lake Road west, last Saturday afternoon. Two women received minor injuries.

Patricia Goodyear, 49 of Willowdale, was driving her 1979 Dodge which received \$500 damage to the left side. Her passenger, Nadine Stableforth, 53 of Toronto, and Goodyear were injured while four other passengers in the car were unhurt.

The driver of the 1980 Cadillac, which sustained \$400 damage, was Ivana Vrdoljak, 20 of Willowdale.

Vrdoljak was charged with failing to share half the roadway.

OPP investigate

The staff of the Minden detachment of the Ontario Provincial Police investigated 52 general occurrences during the past week.

Included in those investigations were five thefts, three break and enters and two disturbances.

Two people received minor injuries in three motor vehicle accidents.

Snowmobile federation sets up program

This year the Ontario Federation of Snowmobile Clubs (OFSC) initiated a new program to provide continuity of funds for trail building. The program will be administered by the O.F.S.C. throughout the province. The snowmobilers using the trail facilities will generate the funds, and through the OFSC, administer the program and establish guidelines for snowmobiling. Each snowmobiler will be required to pay an annual fee for a trail permit in order to be able to use designated trails built by participating OFSC member clubs.

Snowmobilers belonging to an OFSC club participating in the program will

be assessed \$10 per machine per year to be paid through their club. Any other snowmobiler will be assessed \$20 per machine this year. These trail permits will be sold by trail wardens on the designated trails, or will be available at local hotels, motels, lodges, gas stations and snowmobile dealers for direct sale to the public. The

trail permit holder may use all trails throughout the province designated by the OFSC clubs who are participating in the trail funding program.

As a result of the recent changes in the Trespass Act and the 1974 Motorized Snow Vehicle Act, any trails designated under this program

are classed as private trails, and may be used only by permission of the club which builds and maintains them. Any snowmobiler who does not obtain this permission could be charged with trespassing.

Not all trails will be designated in some areas, so, to avoid disappointment or

misuse of private trails, the OFSC urges that, for further information, snowmobilers contact the local OFSC club, the Trail Funding Programme Office at 98 Marshall St., Barrie, Ontario, L4N 4L5, (705-737-5521) or the OFSC office at Box 318, Port Sydney, POB 110, (705-385-2773).

Glamorgan council holds regular meeting

A regular meeting of the Glamorgan Township council was held September 1.

Declarations of interest were made as follows: Kenneth Maguire, general voucher 82-8, cheque number 705, Robert McCausland, general voucher 82-8, cheque number 706, road voucher 82-8, cheque number 706.

The minutes of the July 20, meeting, as corrected, and the August 4 and 17, 1982 meetings were adopted as circulated.

Receipt of recreation committee minutes, June 10 and July 8, and roads and waste disposal committee minutes, June 2 and July 7, were acknowledged and filed for future reference.

The following accounts were approved for payment: road voucher 82-8, \$15,184.71, welfare payroll 82-8, \$3,396.66, recreation committee voucher 82-7, \$6,228.35.

General voucher 82-8, in the net amount of \$16,817.33 (excluding cheque number 705 in the amount of \$104) were approved for payment.

Cheque number 705 in the amount of \$104 in the general voucher 82-8 was approved for payment.

Council requested Roy E. Dear to provide a survey of the original allowance for road in Lots 33 and 34, Concession 5 and 6, re: the portion of allowance he intends to use.

Clerk-Treasurer will prepare a by-law, requesting County approval and advertisement according to The Municipal Act concerning parts 2 and 4, proposed plan dated

June 14, 1982, by Dearden and Stanton.

Six office chairs at \$275 each in beige tweed as per memo number 1851 will be purchased.

Legal Expense Insurance will be added to present

coverage to cover five council members, three committee of adjustment members and five recreation committee members.

The Clerk-Treasurer and By-law Enforcement Officer will attend a workshop on September 17, and the

Job creation program helps laid-off workers

Five special federal-provincial job creation programs have put more than 3,200 Ontario workers back on the job in the province since February, according to the Ministry of Natural Resources and the federal Ministry of Employment and Immigration.

To date, the Government of Ontario has contributed more than \$10.5 million to programs which have provided a total of 47,027 weeks of work for 3,215 laid-off workers in the province.

The first employment initiative, the Accelerated Forest Improvement Program, created jobs for 658 laid-off forestry workers and was the stepping stone for further initiatives in mines, fisheries, parks and conservation authorities projects.

The forestry workers are involved in thinning stands of timber, clearing right-of-ways, collecting cones and planting trees for a total of 8,643 weeks of work.

The Mines Special Employment Program provided 20,158 weeks of work

shared by 1,149 laid-off mining industry workers. These workers are fencing abandoned mine openings, rehabilitating lands affected by past mining activities and compiling and producing resource information maps.

Under the fisheries program, 3,941 weeks of work are being shared by 211 workers. These workers are rehabilitating rivers and streams, conducting fisheries studies and constructing public docks.

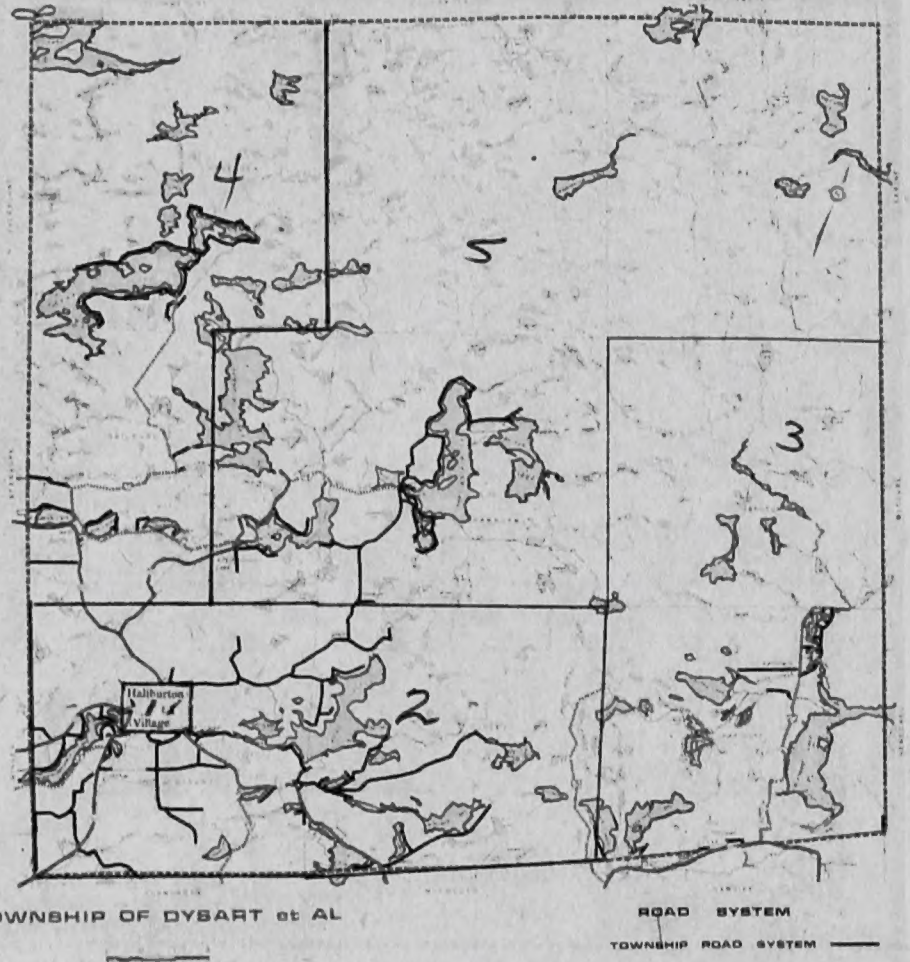

The parks program provided

A Kero-Sun™ Portable Heater is a real comfort in emergencies.

Keeping a Kero-Sun™ Portable Heater in your house makes a great deal of sense these days. Because they don't depend on electricity, these handy units can keep you warm and comfortable during an unexpected emergency such as a power outage. There are 7 different U.L.C. listed models to suit your individual needs. From the super powerful Omni 105™ to the super compact Omni 15™. And our Moonlighter™ model provides heat and light—plus cooking surface! A guard/cooking rail is included with all Omni™ and Moonlighter™ models. And to save money, you can place

one of these heaters wherever you need heat, and keep your thermostat turned down. 99.9% fuel efficiency means odorless, smokeless operation. Battery-powered ignition system and automatic shut-off device for extra safety. See a demonstration today.

Because you don't have money to burn.

from page 1

McLagan refers to it as "incentive wage". Employees also learn to budget their weekly earnings as part of the centre's program.

But while the move to the new centre has improved the program in many ways, McLagan admits the renovations were expensive and have not been completely finished, yet. "It cost us a lot to move, but it was the right time to move," he said.

With the budget for ARC bordering on "the red" this year, the association hopes the communities will respond to the flowers of hope campaign.

"It (the fundraising campaign) is very important to the operation of our shop."

COMMENT

Editorials

There's hope

The annual Flowers of Hope campaign to raise money for the mentally handicapped is underway officially. It's a yearly event that helps fund the local ARC Industries workshop and the Haliburton and District Association for the Mentally Retarded.

But this year, possibly more than ever, ARC needs help from the residents of the county. In the past month, the 14 employees of ARC have moved into a refurbished building. They now have a factory in which to produce their wooden products.

Previously they have occupied rooms at the Lakeview Centre, and almost everyone, including some of the employees, felt ARC Industries was like attending school rather than holding down a steady job. But now the employees are in the business world. They're hoping to open a retail outlet of their own before Christmas and their production level should increase in the redesigned building.

However well-thought out and necessary the move was, it was a costly venture for the association which must raise 20 per cent of its annual operating budget. Eighty per cent of the funding is provided by the Ministry of Community and Social Services.

According to the manager of ARC Industries, Robert McLagan, the association's budget will likely dip below the red line this year because of costs incurred in the move.

The association's main money raising campaign is the Flowers of Hope. Four thousand, two hundred envelopes including flower bulbs have been sent to every household in the county, that is 600 more envelopes than last year.

There is no deadline for contributions to the association as monies are received up to 10 months after the envelopes have been mailed.

To donate even a dollar is a simple way to help a needy cause and a great way to make life better for at least 14 people in Haliburton County.

Clarity

It is highly unlikely that the Ontario Municipal Board will turn down Dysart et al's application to have its present three ward electoral system changed to a five ward designation.

No objections from residents within the municipality were received by the deadline published by the Dysart's officials.

The move to change to a seven member council, up from five, is a good move, in theory. It will give equal, or at least more equal, representation to all areas in the county's largest municipality.

Residents in areas such as Harcourt which have been lumped into areas surrounding Haliburton Village will no doubt have closer ties with their representative if he lives in or near the hamlet.

There is only one glaring drawback. And that will be to continue to provide the efficient discussions at the council table that have existed in the past. Two more members on a council that will no doubt be seeing new faces this year, could make discussions lengthy and confusing if not dealt with properly.

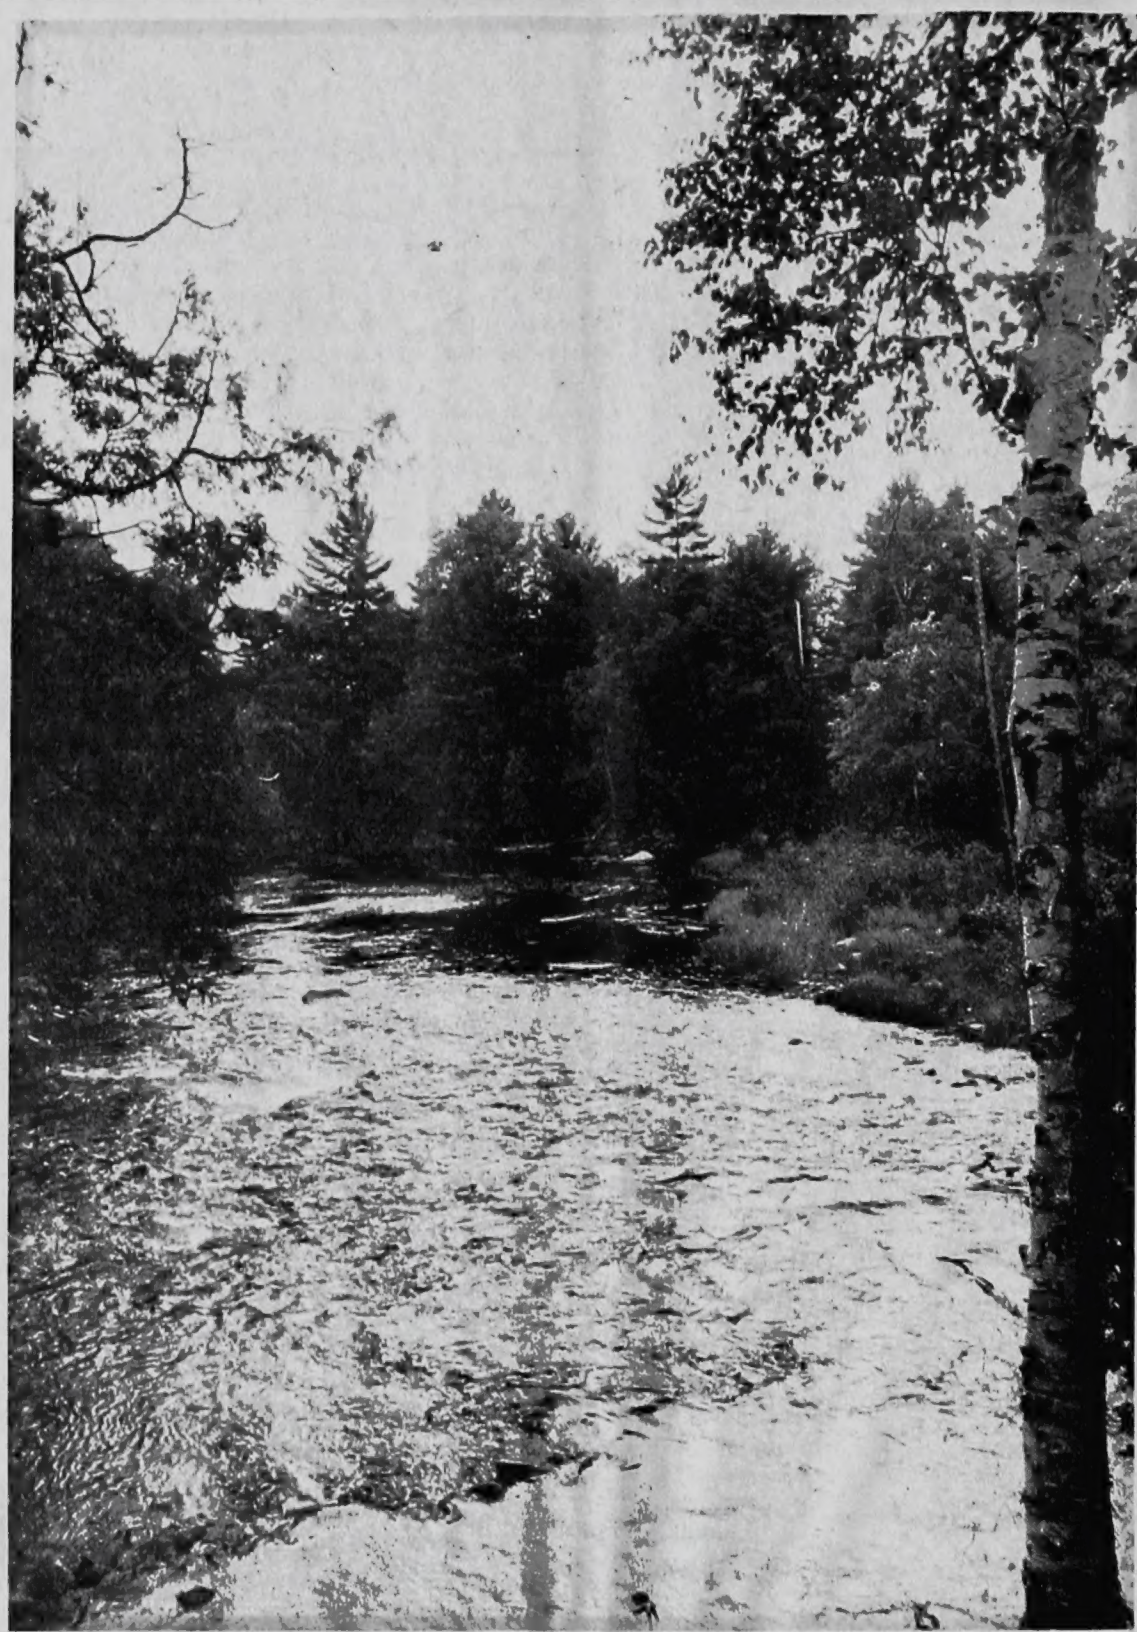

If approval is officially granted before the nominations' deadline next week, all candidates in Dysart must be prepared to understand the concerns of ratepayers in all of the wards and to carry out municipal matters in a clear and concise manner.

Write a letter

Are you interested in your community? Are you concerned about its future? Are you irked by a council decision, frustrated with inflation and taxes, worried about where the world is headed? Why not get it off your chest through a letter to the editor. The letters to the editor column is a public forum and you're invited to use it as often as you like.

All we ask is that you sign your letter, and that you couch your criticisms and observations in language that is publically (and legally) acceptable.

So why not have your say? Your views may point the way to important changes.

by SUE COOPER

Teen wonders how to be respectful

Letters to the Editor

To the Editor:

This is an open letter to parents and teenagers in Haliburton County. As a sixteen year old high school student who was raised to respect my elders had an experience on Sunday, September 26, that I could not respond to.

On that date I entered a business establishment in the village of Haliburton, I was told at the till to "put the bread back and get the out". This was shouted in front of a customer. I couldn't respond to this man and you can imagine my embarrassment. His reasons were beyond my comprehension.

How as a teenager can I protect myself and remain respectful. I would welcome your response.

Randy Grant,
Haliburton

To the Editor:

What gives? What is happening? The Echo a well respected informative weekly newspaper well read in the Highlands of Haliburton seems to have completely ignored (a strong word) a very outstanding event that took place yesterday - September 26th - in the village! Was it by co-incidence: not important as a news event or was it by design?

You gave no publicity ahead of the event other than a small caption under the Pic of the Past on September 22 issue. Even this was minimal; nothing to tell your readers of the details as to time and place of the Drumhead service. This alone would tell the story why a good percentage of town folk were missing on Highland Street and at Head Lake Park to see the impressive parade of over 700 Legion comrades from Toronto to Belleville.

You ignored telling your readers of the impressive colour party that preceded the parade - a story in itself - and you didn't tell the story of the "Piling of the Drums" and the story of this in history (the Haliburton Pipe Band was given this honour on Sunday!)

Even "Feir Play" regarded as a newsy column didn't utter one word of Branch 129 Royal Canadian Legion, Haliburton, being the host of this important Sunday.

You didn't inform your readers and as a result the streets and the park didn't have the crowds that might have resulted if some effort had been taken to give a good story ahead of the events. Remember these Legion types were visitors and it might have been more impressive to them to go home and tell their friends of the crowds instead of what they paraded past!

Unfortunately this isn't an isolated incident in

the coverage of Branch 129 Legion news. This writer who does his best to be informed on Haliburton happenings and is both a booster and critic has noted that you don't give just coverage to the Legion's activities. There's no reason ignoring their place in the activities of the village or is there? Their social work in the community is without question; scholarships, bursaries, awards, team sponsorships in sports; help to the needy done without fanfare and who in the village can not thank the Legion for having the extremely large hall available for weddings, meetings, get-togethers. The hall is both a court house, the polling place in elections and generally a focal point.

But over the past years you haven't provided the news coverage they justly deserve. Their annual Carnival in the summer has lacked any advance news. Two years ago I'm let to believe several pictures appeared after the Carnival; paid for by the Legion. Last year the only news mention on the Carnival was the winners of the draws!

Yet, you provided extensive pictorial coverage of the Wilberforce Hill Climb!

It could be that you'll have pictorial coverage of the past Drumhead service which will be terrific - but it would have been better for the image of the Village to the many visitors if you had done it before.

As stated at the beginning - what gives?

It could be an "editorial comment" is in order - but one that doesn't just say "we do our best".

Don Hillard,
Stormy Lake

Editor's Note: A promotional story detailing the Legion Drumhead Service was printed in the September 15 issue to allow out-of-town residents to become aware of the service well in advance. As for coverage of the Legion Carnival a promotional story was published before the event as well as a pictorial coverage of the event. It is the newspaper's policy to publicize the name of winners of events at carnivals (if available) and the draw was the only scheduled contest. As well, the Echo provides advertising space which most other organizations utilize to promote their special events. Although the Legion has paid for advertisements placed in the newspaper, it has never paid for pictorial or newsworthy coverage.

To the Editor:

I wish to express my surprise and disappointment at the lack of response to the "Self Defence for Women" course offered to the women of Haliburton by Sir Sandford Fleming College.

Are the women of Haliburton that sure or that naive to think that "it can't happen to me?" Who says it can't. Maybe it won't happen in Haliburton, but how many of the young women of our community will be leaving here after they've finished high school and move to Toronto,

Feir Play

by Creighton Feir

This Friday will be the beginning of the Thanksgiving weekend. If it runs in the pattern of the past several years this weekend should see hundreds of visitors travelling by car and bus to the Haliburton Highlands to get a look at the leaves in all their glorious colour. Many will be taking this opportunity to lock up the cottage until next year, while others will be coming home to the Highlands to visit friends and relatives. Whether this is your first visit or just one of many to the beautiful Highlands we sincerely hope that we will have nice weather for the occasion.

Sunny's Halo and Haliburton Huskies have proved to be the two leading Canadian bred 2 year old males in Ontario this year, and maybe in Canada and according to a write-up in Racing Form seem headed for a showdown in the Coronation Futurity Stakes, a mile and an eighth race for Canadian bred 2 year olds at Woodbine race track in Toronto on Monday, October 11, which is Thanksgiving day. They say that Haliburton Huskie owned by Gary Vasey and Marge Magnusson is a publicity man's dream, Haliburton Huskie named after a hockey team is unbeaten in four races, has won three stakes and \$130,350. Sunny's Halo has won four of his eight races, been out of the money just once (in New York) has won three open stakes and \$130,015. This should prove to be a very interesting and exciting race between these two top horses. We'll be pulling for Gary and his Haliburton Huskie.

Something new coming up at Wilberforce this coming weekend when they present 4 x 4 Mud N' Run at Bill's Hills on Hwy. 648. Drags will be featured on Saturday, October 9. Mud and Obstacle on Sunday, October 10 with the gate open at 10 a.m. and the races at 12 noon. Admission is \$4.00 per person a day, 12 and under free. Limited free parking.

The Toronto Star are publishing a nightly feature on the sports page NHL countdown in which they are taking a look at each of the 21 teams in the league, giving a list of changes they have made in their rosters and just how well each team is expected to perform this season. In reviewing the Los Angeles Kings the statement was made that if the Kings are to move up in the standing it will be mainly through the efforts of the young players such as Bernie Nicholls.

I received a letter from Jim Miller a former resident of Wilberforce, Ontario who now resides at Gem, Alberta. In the letter he states that the Pic of the Past picture, submitted by Tom Hodgson printed in the October 15, 1980 issue and the picture of a saw mill gang taken around 1910 in Wilberforce proved to be very interesting to him and that he has some information on the two photos. He says that the person standing second from the right is his father George Miller (the stout person). The three men highest on the lumber pile in the centre of the picture. The middle man sitting down on the lumber is Leonard Fleming, and the person sitting down on the heap of sand or sawdust on the extreme left is his brother Art Fleming. Jim closes the letter by saying that he has a feeling the late Ed Tallman is in this picture, but which one of the men shown is difficult to pick out. Jim saw this picture when his father was alive, Jim says if he is wrong about the names of these people, he apologizes. For anyone who kept a scrapbook on the Pic of the Past please look at the photo which appeared in the October 15, 1980 issue and see if you can point out these men.

The annual "Flowers of Hope" campaign organized by the Haliburton and District Association for the Mentally Retarded is well underway. By this time, everyone in Haliburton County should have received their yellow envelopes in the mail containing crocus bulbs. We hope that you will mail back your contribution as soon as possible. The objective of the local association is to include provision of services, where it is feasible, for the identified retarded persons in Haliburton County.

At a recent meeting of the Rotary Club of Haliburton they were honoured to have with them a Group Study Exchange from Greater London, England, District 113 Don Hankey, president of the Rotary Club of Battersea, introduced the five members of the exchange. Each gave a brief talk question and answer period on affairs in England. From the answers they gave on the Falklands, Ireland and the terrorists - it is encouraging to see that democracy is alive and well in England today. Club banners were exchanged. After the meeting the group enjoyed some squash before retiring to the homes of Bob Morrow, Curry Bishop, Dave Gray, Jack Fleming, Dave Bishop and Vince Connaughan. Following the week-end conference they were heading for Bracebridge and the Nation's Capital.

Harold Langdon of Haliburton brought up in this item this week and I thought that it would be worthwhile to pass it on to our readers. It's entitled "A Smile". A smile costs nothing, but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. None is so rich and mighty that he can get along without it, none is so poor, but that he cannot be made rich by it. A smile creates happiness in the home, fosters good will in business, and is the counterpoint of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and it is nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours, as none needs a smile so much as he who has no more to give.

The Haliburton County Echo is an independent newspaper serving Haliburton and Victoria Counties for over 90 years. Established in 1882 as The Minden Echo and Haliburton Recorder, and amalgamated with The Minden Recorder in 1977. The Haliburton County Echo is published by Algonquin Graphics Limited in Haliburton, Ontario, Box 360, R1M 1S0. Phone 457-1037.

Advertising is accepted on the condition that, in the event of a typographical error, the portion of the advertising space occupied by the erroneous item, together with a reasonable allowance for signature, will not be charged for, but the balance of the advertisement will be paid at the applicable rate.

In the event of a typographical error advertising goods or services at the wrong price, goods or services may not be sold. Advertising is merely an offer to sell and may be withdrawn at any time. The Publisher reserves the right to restrict all ads as to their classifications and to edit or reject any copy.

VIEWPOINT

Pic of the Past

Our thanks go out this week to Mr. Harvey Fearrey of Haliburton, Ontario for giving us permission to use this photo of the Township of Somerville school near Kinmount which was taken in the early 1950's. The school house

should bring back many happy memories from the students who attended this school at that time. We are unable to name the man standing in the lower left hand side of the photo.

Queen's Park

by John Eakins

Restraint Program

Opposition members continue to press the government on the subject of OHIP fees, asking why these have not been included in the restraint program, as administered prices. Under what section of the Act are they excluded, asked David Peterson.

While the Liberal Caucus has supported the restraint program as a first step, we have proposed that a committee be struck to consider a number of areas where improvements were necessary, including the following:

- * broader controls, and particularly tougher restraint on administered prices
- * a rollback of doctors' fees next year to 5 percent, if voluntary restraint is not forthcoming;
- * a more flexible "sliding scale" to cushion employees at the lower end of the ladder
- * no pass-through price increases for Ontario Hydro above 5 percent;
- * extension of the length of the program by one

year to allow sufficient time for economic restructuring;

- * detailed consideration of the "post-control" phase to guarantee that we are prepared to ensure that "catch-up" settlements do not trigger another inflationary pattern;
- * review of the blanket removal of the right to strike with consideration for maintaining such rights over non-monetary issues such as health, safety, and working conditions.

UTDC and the Yacht Club

Liberal Deputy Leader Sean Conway has demanded that the Ontario Government crack down on the Urban Transportation Development Corporation, which has signed a 20 year lease with a yacht club near Kingston. He termed the \$120,000 which the provincial crown corporation will spend for the use of facilities at the club a "shameless expenditure" which sets a wretched example for Ontario's poor. It's time, he said, that the government "trimmed the sails" of the corporation. If the government was serious about restraint it would not allow such "outrageous" spending by one of its agencies.

Report from Parliament

by Bill Scott, MP

As you know, the Bank of Canada rate has stopped climbing of late and has indeed dropped to more realistic levels. This is a welcome change and has brought mortgage rates down significantly. Mortgage money is now available in the sixteen to seventeen percent range.

As stated by the Conference Board of Canada, there now appears to be some reason for optimism in the long term. This is not to say we are now rebounding from the current recession. We are merely struggling along the floor of the valley of recession. The way out and up is still not in sight, but some direction signs now hint that there will be a way out in the future.

Canada's discomfort index, the sum of the inflation and unemployment rates, was still 22.8 percent in August. This was the highest in any industrialized country. The industrial production rate dropped again in July. This is evidence that the recession is hanging on tightly to our economy still.

The increasingly alarming rate of unemployment and the continuing increase in government spending are two of the largest factors which are prohibiting a quick recovery. As we all know, unemployment is no longer a result of the

economic times, it is now a policy of the Liberal administration. As a result, welfare rolls will soon mushroom across the country and the unemployment insurance benefits paid out will reach staggering proportions.

Government spending, the second of these factors, is out of control. Last November a budgetary deficit of \$10 billion was projected for this year. In June, 82, this was revised to \$19.6 billion. Now the new Finance Minister says that this may be closer to \$23 or \$24 billion. He will introduce a bill when the House sits requesting the additional \$4 billion in borrowing authority that he was refused before the House adjourned for the summer. If this is truly needed that means that our amount of borrowed money is over twice the projected deficit of last November.

Any business which was in such a position would be liquidated. No bank or government would even consider further support of a business whose deficit was not even predictable due to its erratic spending habits.

Until selective spending cuts are accepted by the Federal Government no permanent stability in interest rates can be expected. If the Trudeau Liberals are not willing to make these cuts they should have the courage to say so and let the people decide who should be leading this country by calling a general election now.

From the Chamber

by Bob Stinson

Harvest Festival Ends With A Sell-Out

As the momentum gained through the first year of the Harvest Festival the inevitable happened. The final event in Haliburton was completely sold out and many who had neglected to acquire their passports in advance were disappointed.

The Chamber has broken some of its own rules with both the festival and the colour bus tours which also wind up this week. We have stressed the necessity for long range planning and both of these activities were not organized until this summer. Because of this some of the promotional avenues that require extensive lead times were unavailable and this created some problems. The Board, however, felt that both endeavours were very worthwhile in promoting our fall season and decided to get them started this year at least as pilot projects.

During the next few weeks the good and bad points of this year's experience will be analyzed and decisions made on what to do different next year. The organizations in each of the four communities that worked so very hard to make each event a memorable one are certainly to be thanked and congratulated. Two ladies, we are told deserve extra special credit this past week-end. Julie Kennedy in Stanhope was an inspiration to her crew in Stanhope while Caryl Douglas in Haliburton not only provided her creative talents to the decorations but starred as the number one "serving wench".

Annual Meeting - October 20

Details are on their way to all Chamber members on the annual meeting at Wig-A-Mog. We will once again be following last year's popular format of running workshops throughout the day and winding up with a banquet in the evening. One major change that should be welcomed is that the annual business meeting will be held in the afternoon before the banquet in order to provide more social time in the evening.

We are quite excited about the unusual quality of speakers we have been able to line up this year and we know you will enjoy them. The Honourable Reuben Baetz will speak at the evening banquet and John Egan, Chairman of the Board of Tourism Ontario will address the luncheon on "The Third Wave". Jerry Strickland, president of the Ontario Federation of Cottager's Association will be featured in a panel which will address "Cottager Power", the era in which municipal policies are heavily influenced by the organized part time residents.

Our board of directors will also be elected on that day and Ken Langdon, our nominating chairman, is seeking keenly interested individuals. If you are interested, or wish to nominate

someone else give Ken a call at 457-1402 and let him know. See to it that your area and your line of business is represented on the Chamber.

Volunteers Start At Information Centre

The Information Centre that was initiated by the Home Support Services group is now training a group of 14 volunteers who will man the phones to answer your inquiries on everything from where to apply for social assistance to how to lodge a complaint on unfair treatment. Although many people think this is the Chamber's role it really isn't. We have always attempted to provide answers to any question we were asked but we are now pleased to be able to direct your inquiries to this centre that is set up to deal with them.

In addition to providing free information over the phone the centre has compiled a "Directory of Community Services and Human Resources in Haliburton County" which runs into 186 and can be purchased for only \$6. Copies are available at the Chamber or at their office in Haliburton. For more information give them a call at 457-2733 or drop into their office across the road from Emmerson Lumber.

Welcome

The former Highland Park Marina at Kennis Lake has a new name and new owners. Backwoods Marina, Pottery and Snack Bar is now operated by Jim and Gloria Carnochan with the able assistance of service manager John Bittman. They are featuring hot turkey supper this week-end (with reservations) so why not drop in and say Hi!

Congratulations are in order to Sportsman Bay Riding Stable having just completed their 25th year of operation on Highway 35 south of Carnarvon. May they have many more celebrations before hangin up their reigns.

from page 4

Hamilton, Barrie, Peterborough, or any other fair-sized city to work or further their education. Unfortunately, these cities are not as safe or shall we say as tame as Haliburton. Who says it will not happen to one of them. Do we have to wait until there is a murder or rape in Haliburton or of a former resident before we wake up? Is not six attacks in Toronto or just recently a murder of a college student in Barrie enough to encourage more than just five women in Haliburton to take the course?

For those who may have missed the advertisement by S.S.F. College and for those who may have changed their mind, the course will start October 6 through to November 10, 7:30 to 9 p.m. and take place at the high school (girl's gym), at a cost of \$30. To register and for more information call 457-1680 or drop in to the Lakeview Centre.

I am not connected with S.S.F.C., I just don't want to see the name of someone I know in the paper under the title murdered, mugged or raped. Give yourself a fighting chance.

SPORTS

First victory of season for the Senior Redmen

The Haliburton high school's Senior Redmen football team won its first victory of the season, ensuring itself a place in the upcoming playoffs. They defeated Fenelon Falls 22-0.

The scoring for the Redmen who completely dominated play throughout the out-of-town game, began with Kevin Shapiera making a successful 10 yard off-tackle run. Paul Vuksic made the conversion to take the team to a 7-0 lead.

Still controlling the game

in the second quarter a quick pitch pass from Shapiera to Terry Crowe, 20 yards away, counted the next touchdown for the Redmen. Vuksic made another successful conversion to make the score 14-0.

But the first half action wasn't over for the Redmen as 35 yard field goal that went wild but gave the team a 15-0 lead at the end of the first half.

There was no scoring in the third quarter. In the fourth quarter, the

Redmen made another successful field goal attempt and picked up only a single point.

Dave Bishop Jr. scored a touchdown on a five yard run. The team attempted a two point conversion but was unsuccessful.

Head coach Gary Brohman said the team's offensive line has improved greatly and Terry Crowe played an excellent defensive game by making three interceptions.

The team plays its last league game at I.E. Weldon in Lindsay October 15.

Keeping ahead of the action was difficult in the Haliburton Huskie/Parry Sound game, Sunday afternoon. The Huskies' next home game is Saturday evening at 8:30 p.m. against Essa.

Huskies debut proved them equal in a 5-5 tie

The Haliburton Huskies Junior C hockey team made their debut last Sunday and proved equal to the Parry Sound Shamrocks. The game ended in a 5-5 tie.

While this was Parry Sound's fourth event on the ice this season, the Huskies played hard to match their contenders.

After four minutes of hard digging in the first period the Huskies managed to put the first mark on the score board on a well-placed shot by Mike Rae. He was set up by Steve Smith.

The Huskies' exuberance died shortly as Parry Sound moved quickly from the face-off to score seconds later.

With consistently solid goal tending from Parry Sound's netminder, many close shots by the Huskies

were thwarted. Parry Sound came back with two goals to take the lead 3-1, but the Huskies' spirit wasn't damaged as they closed the gap before the first period ended. On a power play Rae scored again, this time with the aid of Kevin Warburton.

Still trailing as they headed into the second frame, it didn't take the Huskies long to tie the score as Scott Rae made a passing play from Ed Davis and Andrew Shapiera pay off. Then only 30 seconds later Shapiera gave the Huskies the lead as Scott Rae and Fred Roberts assisted.

Parry Sound was not to be kept down, however, as the team came back more than half way through the second period to score on a power

play break-away while Haliburton's Warburton was sitting out one of the five penalties he accumulated during the game.

The second period ended in a 4-4 tie.

As Parry Sound hit the ice in the third period, it took the team mates only 55 seconds to take the lead with a well-executed passing play.

As the minutes ticked by, the Huskies were pushing hard but didn't manage the much-needed score for almost nine minutes. Mike Rae scored off the stick of Duff Mitchell.

Neither team could trigger the red goal light for the remainder of the game.

A schedule of the Huskies upcoming season games appeared in this week's edition of the Echo.

Redmen Juniors pick up a win over Fenelon Falls Jrs. 7-0

The Haliburton high school's Redmen Juniors football team have a two and one record after picking up another win over Fenelon Falls last week. The team

won the match 7-0. Excellent offense came from Mike Blake, Don McHarrie and Mike MacNaull in the closely contested game. Working well on the de-

fensive line were Danny Cogan, Paul Allore, Trevor Powers and Rob Crowe.

The Juniors next game is scheduled against I.E. Weldon in Lindsay October 15.

Big Six keep their 5 pt. lead

The Big Six led by Betty Yateman kept their five point lead by taking five points from the Turtles for a total of 17 points.

The Humbugs run second with 12 points, the Chunkies, Smarties and the Gumdrops all place third with nine

points each. The turtles bring up the rear with seven points.

Men's high single this week was Harry Henderson with 264. The women's high single this week was Ev Stata with 249. Men's high triple was Harry Henderson,

620 and the women's high triple this week was Ev Stata, 633.

Games 200 and over were: Ev Stata, 230, 249; Norma Hodgson, 240; Harry Henderson, 264, 204; Gord Bennet, 218; Kay Barry, 217, 209; Iris Meredith, 214; and Muriel Peters, 204.

Moose hunters have to trust the luck of a draw for permit

The Ontario government's fascination with lotteries has been extended one step further to include moose hunting. Starting next year, each of Ontario's estimated 60,000 moose hunters will have to trust the luck of the draw for a permit to shoot one of the mammals.

The Ministry of Natural Resources hopes the lottery system will renew Ontario's moose herd, which now

stands at about half of its potential size of 150,000 to 200,000. The existing rules restricting party size to three hunters will be dropped, and hunting seasons next year will be open longer.

Under the new regulations, a hunter will need a special validation tag, drawn by lottery in limited numbers, to shoot either a bull or a cow. Hunters without the special tags can still hunt,

but legally can shoot only young moose. By making hunters more selective, the program is hoped to reduce the overall harvest.

The MNR also announced a renewed crackdown on poaching, with additional conservation officers to be added to the Ministry's hard-pressed enforcement staff. As well, the Ministry will be increasing efforts to

Glamorgan Recreation committee

A regular meeting of the Glamorgan Township Recreation committee was held September 9.

Declaration of interest by Betty A. Barr with respect to recreation committee voucher 82-8.

The minutes of the August

12 and 26 meetings were approved as circulated.

Voucher 82-8 in the amount of \$2,798.11 was approved for payment.

The treasurer's statement of revenue and expenditure for Horseshoe Days 1982, including stock on hand was

accepted and payment of \$573.77 was authorized to the Firemen's Recreation Committee in accordance with the treasurer's statement related to the Demolition Derby.

Prices for Septemberfest were as follows: meals -

adults \$6, children 12 and under \$2.50; dance - \$8 per couple, \$5 single.

A price of \$2 each was set for township pins.

The clock for the community centre, which was donated by Varty Jewellers, will be centred on the east wall of the banquet room. An acknowledgement to be sent to Varty.

The application for the community centre by the Chatterbox Girls' Club, also Junior Boys' Club, was accepted subject to rental fee of \$15 per night for use of sports equipment.

It was recommended to council that the fee structure, section 4 of the operating procedures and rental fees, be amended by deleting the words

"Organizations exempt from rental fees (except dances and/or fund raising events)" and that the words "That rental fees for the following organizations shall be set by the committee on an individual basis" be substituted therefore.

The recreation committee will be exempt from rental fees for use of community centre and equipment.

The Parry Sound goalie was a strong contender, Sunday, after he blocked shot after shot from the Huskies offense. However, he was too late to stop this shot, early in the game.

Eakins applauds cancellation

Prior to the recent recall of the Legislature, John Eakins, MPP for Victoria-Haliburton, along with many others, called on Premier William Davis to cancel his executive jet. Eakins has applauded the Premier for responding to this call.

"This move by the Ontario government should be the first step in what will hopefully be a series of wasteful expenditure cutbacks in the interest of a serious restraint program," Eakins said. "We have consistently called upon them to demonstrate their commitment to a restraint program through the elimination of such wasteful expenditures as this jet, Minaki Lodge and the provincial landbanks. Finally the government has seen the error of its ways and is now responding to our calls," the Victoria - Haliburton MPP added.

But the jet is only the first on a long list of wasteful items currently standing between this government's statements on restraint and their credibility in this field, according to Eakins. At least \$23.5 million has been pumped into Minaki Lodge which, when it opens, will create about 150 seasonal jobs. A further \$13 million was spent fixing a road that leads to Minaki Lodge.

During the 1970's, the government spent \$1.9 million of taxpayers' money on

public opinion polls. A further \$609,737 was spent on 25 polls in the 11 months preceding the 1981 election, he added.

The government has invested a total of \$508 million in landbanking schemes, some of which are now being used to grow poplar trees and some of which are in direct competition with housing developments in the private sector.

Various royal commissions set up by the Ontario government have cost Ontario taxpayers over \$22 million. While some may have been justified, at least one produced 87 recommendations, almost all of which were totally outside of the jurisdiction of the provincial government, Eakins pointed out.

Finally, the government spent \$20.7 million on advertising in 1979/80. And in 1980/81, the year preceding a provincial election, they spent \$34.3 million advertising government programs.

Surely \$10.6 million for an executive jet was an unjustified cost. But the government has said nothing of the cancellation costs associated with this move, the local MPP said. What will it wind up costing taxpayers just to unload this jet?

"Just as we will probably never recover the total invested in Minaki Lodge, we will also probably never be able to unload some of the

provincial landbanks. How much longer will taxpayers be forced to carry such unnecessary items? We certainly may not have ready buyers for any of these government purchases but for how much longer will they continue to put good money after bad? It is time for the government to swallow its pride, admit its mistakes and prevent any further drain on the taxpayers' pocketbook," Eakins said.

Hunters to trust luck

FAMILY

Senior League by Bert Harrison

Dear readers, hasn't the colour been lovely this past week? You can see God's handiwork no matter where you go.

It is nice to have the Parkers back with us once more, from where they have been visiting on a far off shore.

Sunday, September 26 Rev. Burgess spoke again at all three places, Eagle Lake, Haliburton, then at Hyland Crest. We hope he will get some much needed rest.

Wayne Cox says he would like to work on the farm the whole year round, but he just isn't able. That is why he works at Hyland Crest, waiting at the tables.

Millie Wood says she lost three pounds since she was weighed before. She says she hopes to lose some more.

We were invited to Mr. Stan Blears to a pot luck dinner. Where else would you go to eat where they didn't charge a buck. After Fred Parker had said Grace, we all lined up to get ready to eat. We had a chance to help ourselves to many different kinds of dishes. When all had eaten, and our hunger was appeased, Aileen said she would be really pleased if we would settle down to begin the meeting. We also had two new members that we should greet. When the meeting was over and business discussed, we climbed once again into Lola's bus, with Doris at the wheel. We thank the Blears for inviting us for that lovely meal.

Rev. Bewdly of the Allsaw Pentecostal Church held a nice service in the Chapel here, September 28. He also brought along some of his members. Mrs. Taylor came to play. We thank them for coming.

Some dear friends took us to Dorset to the new restaurant, "Lumber Jack", where we were treated to a snack. The colour-going up was gorgeous, even better coming back.

Edith Welch spent a few days at her home entertaining friends from Utah and Delaware.

Mrs. Curry spent the week-end in Peterborough with her son, and relatives from Alabama.

Tuesday night the Earl Coopers, and Kathleen came. After visiting the Land of the Thistle, they played fine music, sang old hymns, and did everything but whistle.

Wednesday night was games night. I didn't play, just had a rest. I'll play again some day.

Thursday, the ladies from Kinmount Horticultural Society brought in the lunch and had a good variety. They also brought a birthday cake, for those who had birthdays in September.

It is sing-song time again

here at Hyland Crest. Grace Coburn and Fred Ballard came to give us their best. Grace reads some interesting poems, and leads us in a nice sing-song. Fred came to play. We were glad he came along.

Friday night at the Kinette card party, Edith Welch won first prize for progressive euchre.

Happy Gang News

by ALLAN MACKLIN

Wednesday, September 8 we were invited to Jim and Doris Cooper's for a picnic lunch. It was a beautiful sunny day and we took turns going for airplane rides which were very enjoyable and a good time was had by all. Thank you Doris and Jim for your hospitality and generosity. Thank you also for the ice cream cones.

Thursday we were off again for a boat cruise to the Peterborough Lift Locks. We were very fascinated in learning the procedure used in going through the locks.

Friday Rev. John James and Jan Shipley on piano conducted the devotion service. We look forward to this service as most of us are unable to get out to the services.

To end the week's activities we gathered into the craft room for movies.

Monday morning Jan Shipley delighted us with her piano playing and assisted with choir practice.

Ivy Shaw was on holidays this week and seems like others were to. Our next program wasn't until Friday when Rev. Rick Brewster and his assistant, Marjorie Renick provided an enjoyable service.

Monday morning Rev. John Phillips held a communion service for us. Thank

you. Bingo was a success on Tuesday with thanks to Betty Wise. Helen Archer and guest Rose McCool. It was great to visit with Rose again as she was a former staff member. Thanks Rose for your assistance, we hope that you will return soon.

Wednesday morning we baked the birthday cake and then went to Locarno with the help of drivers Jack Bassett, Mary Hannah and Ivy Shaw. We had an enjoyable lunch.

We gathered together Thursday morning for our regular fun and fitness where we have fun with music and dancing. It took us by surprise when Peggy Henderson, Jack Pollard and John Sisson decided to do a little step for us. We then took off for another luncheon at the arena with the senior citizens and their pot luck. This was the first luncheon of the season. We returned to a birthday party with Marilyn Stouffer singing and Betty Salvatori playing piano. Ethel Lowes, Harold McKelvey, Thel Fader and Edgar Long celebrated another year.

Friday morning's devotion was held by Peter Vanderwaal and Les Roberts. Les played his guitar which was very enjoyable, thank you Les and Peter. In the afternoon we watched two movies.

A regular council meeting of the Township of Lutterworth was held recently.

The minutes of the July 15 special meeting of council, the minutes of the July 15 regular meeting of council, the minutes of the July 27 bi-monthly regular meeting

of council, were adopted as circulated.

Deputy - reeve Glynne Lewis and councillor Wm. Prentice, along with the clerk, attended the special meeting scheduled by the Ministry of Natural Resource's Minden District Of-

fice, August 20 to discuss the draft report on the Minden District Land Use Strategy.

Cheryl Murdoch, the school board trustee for Lutterworth, reported the following matters: 1) the phasing out of certain schools on account of declining enroll-

ment, expense of maintenance and operation and the present requirements for the provision of special education for those students with learning disabilities and for those who would benefit from enrichment classes; 2) statistics concerning the de-

clining enrollment of pupils; 3) adjustments in staffing - job-sharing by teachers, leave - sharing by teachers, leaves of absence by teachers, four-over-five year remuneration program / leave

Medical information obtained

by LEOPOLDINA DOBRZENSKY

If you visit a foreign country and need to see a doctor, will OHIP cover the bill?

Ontario residents familiar with OHIP may get a shock

when they require medical attention outside the country and have to pay for it immediately.

The plan covers medical and hospital care for insured benefits anywhere in the world, but only at rates applicable in Ontario. The

patient is responsible for payment of any charges. Claims must be submitted within six months of the date of service.

If you are planning a journey outside Ontario, where health care costs may be more expensive than here, it

could be wise to get extra coverage from private insurers. Forms are available at local hospitals and at the Health Unit in Haliburton.

A booklet called The Traveller's Guide to the Ontario Health Insurance Plan is available, free of charge, at

the Information Centre, Drag River Municipal Building, Haliburton, telephone 457-2733. It outlines parts of the Ontario Health Insurance Plan that concern residents travelling outside Ontario and contains a claim form for benefits.

Guild News

The annual meeting of the Guild, held September 20, was very well attended. A new directorate was elected, and those present were interested in promoting the aims and objectives of the Haliburton Highlands Guild of Fine Arts for the Gallery and within the guild groups.

A vote of thanks was extended to Ruth Gorrie for the excellent manner in which she gave leadership during her term of office as president. Her dedication gave inspiration to everyone who worked with her during the past year.

Featured now in the Gallery is the work of Murray Stewart, John Joy and William Sherman. They have found our landscapes, rustic buildings, and glistening waters in Haliburton County to be an inspiration to their paintings in oil and watercolour. Each of these artists, all born in Toronto, have exhibited across Canada, as well as abroad. You will have an opportunity to meet them at an informal reception and

view their paintings at the Ralls' End Gallery on Saturday, from 1 to 4 p.m. As well, the work of our local Ethel Curry will be on display - this is the first time Ethel's paintings have been shown in our area. This show will continue until November 6.

In conjunction with the above show, Rowneys Artists Materials is sponsoring a seminar with John Joy on October 13, 7 - 10 p.m. Mr.

Joy will demonstrate water-colour techniques, and after the instruction period the participants of the seminar will be able to experiment with Mr. Joy's ideas using products made available to them through Rowneys. Please call the Gallery at 457-2330 if you are interested. It is free to members.

If you haven't purchased your "Concert Series" tickets yet, please do so soon, the first concert is November 17.

Job creation programs to help

from page 2

vided 9,663 work weeks for 753 laid-off workers who will repair and refurbish facilities at provincial parks, among other activities.

Through the conservation authorities program, 444 laid-off workers will be re-habilitating streams, improving trails at conservation areas and conducting fisheries studies for a total of 4,622 weeks of work.

Funding for these programs comes from both the

federal and the provincial governments. The federal government offers an enhanced pay package so workers receive their regular allowance unemployment insurance benefits plus a supplement which will increase their benefits to a maximum of \$240 per week. The Ministry of Natural Resources, using funds provided through the job creation program announced in the 1982 Ontario budget, contributes an additional 25 per cent of the federal contribution up to

a maximum of \$60 per week. The provincial part of the program is funded by the Board of Industrial Leadership and Development (BILD) and administered through the Ministry of Natural Resources.

The province also pays for family protection benefits, and the cost of equipment and materials to carry out the project. In addition, staff from the Ministry of Natural Resources provide technical guidance and support for each project.

FEATURE

Upper Dutch Line settled during 1860's

It was the mid 1800's when Haliburton County and the surrounding regions began opening up to settlers from Europe and the southern section of the province.
And one of the first families to settle on the Upper Dutch Line in the southern reaches of the

Three
German families
drew straws
for
best land

county was that of John Scheffee. Scheffee along with Charles Schroter and Fred Long were friends in Germany before heading to the new world.
First, they travelled to Boston and then moved north to Canada's pioneering town of Peterborough. The men had married and began their families when they moved to the Upper Dutch Line in 1861.
The three families had chosen their land together so when they reached the Haliburton property they felt the only way to divide the three parcels, which had been purchased sight-unseen, was to draw straws of different lengths.
Charles and Wilemina Schroter were lucky to win the best parcel of land while Fred and Agnes Long took the second best.
The poorest parcel of land went to John and Susan Scheffee but the land provided enough riches to allow the couple to raise 10 children.
While the pioneer days hold many stories of amazing deeds, Scheffee could match tragic stories with the best of them. Twin boys, Bob and Fred, were born in 1863 and a year after their birth they became, to their parents belief, fatally ill. With the parents fearing for the life of their offspring, Scheffee headed towards Peterborough on foot, in hopes of acquiring help from a doctor he was acquainted with.
It took Scheffee three days and nights to make the journey and his heart was heavy all the way as he feared the children would be dead upon his return.
After relating the children's symptoms to the doctor, Scheffee discovered the boys were suffering from jaundice. It was a much relieved father who returned to find his twins greatly recovered. Both twins lived a long life with Bob dying when he was 86 and Fred when he was 91.
Scheffee was a diligent worker and often helped his neighbours, sometimes working for months and bartering for his wages. One year, he began in the early spring to clear two acres of land for George Kellett and after many months of labour was given a colt. It was a sad loss for the Scheffee family when the colt died during the winter rendering the months of labour useless.
Although life was hard for the early pioneers, the families provided their own entertainment to make the long winter months pass more quickly. According to local history, the children had a pet

Deer had bells
on his neck

deer and they would strap a bell on its neck and spend hours playing with the tamed animal. The children would sleighride down the hill and the deer would wait until the sleigh started, then race the children, always reaching the bottom first. To

Stanhope Township hold meeting

- Intended for last week -

Stanhope Township council held its regular meeting September 8.

Mr. Dale MacDonald declared a conflict of interest on number 1 - fire chief's report and also on a request to stop up, close and convey an original allowance for road between lots 20 and 21 concession 1 by Miss McNamara and refrained from discussion or voting on these matters.

The minutes of the last regular meeting held August 11 were adopted as circulated.

The reeve and clerk were authorized to sign a "Terms and Conditions Agreement" with the Ministry of Municipal Affairs and Housing with respect to the method of expending a \$3,000.00 Incentive Grant received by the "Stanworth Municipal Non-Profit Housing Authority".

The clerk was authorized to make application, on behalf of the Township, for a 1982-83 Canada Community Development grant for a works program. It is understood that all financial obligations in this respect by the Municipality will be reviewed and approved by the council prior to submission of the application.

Council will investigate the cost of wood conversion for heating Stanhope public buildings and have information available for next council meeting. Harry Davis and Jim Harrison registered nay votes.

Council approved, in principle, a request by Mrs. Myrtle Sprowl to stop up, close and convey certain original allowances for road fronting part lot 9, concession 8 in accordance with a plan as revised by council and forwarded to Mrs. Sprowl for her consideration.

Council approved in principle, a request by Mr. James McLaughlin, on behalf of Barbara McLaughlin and himself for the stopping up, closing and conveying a portion of original allowance for road on Little Hawk Lake fronting broken Lots 20 and 21, Concession 10 as outlined on sketches attached. Mr. McLaughlin was requested to proceed with Step 3 of the Municipal Road Closing procedure.

Council approved in principle, a request by Mr. Theo Rueter to stop up, close and convey a portion of original

allowance for road fronting part lot 2, concession 5, Kushog Lake as outlined on a sketch attached to his letter of March 8, 1982. Mr. Rueter was requested to fulfill conditions of Step 3 in the Municipal Road Closing Procedure prior to further processing. Mr. Rueter to be billed for extra administrative work by the clerk.

Council approved in principle a request by Catherine Johnson and Margo Collingham to stop up, close and convey a portion of original allowance for road fronting part lot 7, concession 3 as shown, as outlined in green on the attached sketch. Applicants to proceed with Step 3, of the Municipal Policy.

Council acknowledged receipt of a request by Miss C.O. McNamara to stop up, close and convey an original allowance for road between Lots 20 and 21 concession 1 and also a portion of original allowance for road around Baker Lake. The clerk was directed to advise Miss McNamara that council will not consider the closing of the allowance between lots 20 and 21, concession 1 including that portion of allowance leading into Baker Lake. However, if Miss McNamara will outline on a sketch how she requests the lot lines extended to Baker Lake for the portion of allowance around the lake, council will further consider her application.

The clerk advised Mr. Doug Johnson that council will review his request to stop up and close an entrance on Highway 35 at Birchaven Cottages and open an entrance to the south of this location. Council will forward Mr. Johnson this Ministry's position on this matter upon receipt of this information.

Elgin Stouffer assumed the Reeve's chair at 11:24 a.m., as a result of the Reeve was excused for the balance of this meeting.

Council approved of severance application number H 118/82 as submitted by Edwards and Sylvester.

Council unconditionally approved of severance application numbers H 119/82 and H 120/82 as submitted by William J. McDonald.

Council approved of severance application number H 132/82 as submitted by Alfred and Hilda Jones conditional upon access approval

from the Road Superintendent.

Council approved of severance application number H 133/82 as submitted by Harold Harrison conditional upon the passing of an amendment by law changing the existing zone from rural to rural residential.

Council approved of severance application number H 135/82 as submitted by Ruby Huidsten conditional upon the granting of a minor variance from the Committee of Adjustment approving an 18,200 square foot total area on the severed portion.

Council approved of the proposed retaining wall as outlined in the application submitted by Lodi Mestroni.

Council acknowledged receipt of the fire chief's report dated September 8.

Council authorized the clerk to write a letter to Tony Aymong outlining their decision 1. to place Mr. Aymong on a further three month probation as a fire-fighter 2. That no unauthorized person(s) are allowed in fire fighting vehicles going to or from a fire or alarm of any type 3. That equipment must not be taken out of Township response area without proper authorization. Dale MacDonald declared a conflict of interest.

Stanhope will advise county council that administration fees for road allowance closings be raised from \$200. to a minimum of \$300.

Council acknowledged receipt of airport committee meeting minutes dated August 24.

Council acknowledged receipt of Recreation Committee meeting minutes dated August 25.

Council approved the following accounts: August welfare totalling \$2,085.73; general accounts totalling \$18,707.68 and road vouch-

er NO 8 in the amount of \$25,951.58.

By-law 82-15 to provide for the holding of an additional advance poll was received and read a first time.

By-law 82-15 was read a second time and referred to a

committee of the whole council with Dale MacDonald appointed chairman. Carried without amendment.

By-law 82-15 as reported by the committee of the whole was read a third time, passed, signed and sealed.

Carnarvon News

Miss Laurie McKay and friend spent last week with her parents.

Mrs. Alice Smith of Toronto has been visiting her sister, Mrs. Ross Harrison.

Mr. and Mrs. Ralph Cooper of Brantford have been spending a week at their cottage. They were accompanied by Mrs. Muriel Brown, who has been renewing old acquaintances in this area.

A French Casino night was featured at the Stanhope Firehall Friday night with French wines and pastries being served.

Mr. and Mrs. Lew Tompkins and son Dean were in Toronto last week-end to attend a Jack and Jill party for their son Larry and his fiancée.

Mr. and Mrs. Stan Archer and Mr. and Mrs. Max McKay spent a day in Peterborough last week.

After a bad fall, Blanche Windsor had to be rushed by ambulance to Haliburton hospital for X-rays.

Mr. and Mrs. Tom Rogers of Sarnia and four of their friends spent the week-end at their cottage.

Geoffrey Wynne, A.M.C.T.,
Clerk,
Township of Snowdon.

Trent Severn

Remaining stored water on reservoir lakes in Haliburton and Northern Peterborough Counties stood at 53.5 per cent on September 27. This drop of only 2.7 per cent over the preceding week was less than average due to rains in the area. Flows coming from

about 35 cubic metres total. The minimum is about 22 cubic metres whenever it is desired to save as much as possible while that much or less is required downstream. The long term average total flow rate for these streams is about 33 cubic metres.

34.0 cubic metres compared to this past week's flow of about 65 cubic metres, again resulting from rain. The Kawartha Lakes have gradually receded over the week until no surplus remains. Some small lowering of the levels will be permitted before the flow is reduced if rainfall does not come along to sustain them.

these lakes stayed very near the previous weeks values at

Average September flow leaving the Kawarthas is

NOMINATIONS NOTICE TO MUNICIPAL ELECTORS TOWNSHIP OF GLAMORGAN

TAKE NOTICE that persons may be nominated as candidates in an election between 9 o'clock in the forenoon and 5 o'clock in the afternoon of nomination day, Monday, October 18, 1982, but nothing in section 35 of the Municipal Elections Act, R.S.O. 1980, c. 308 prevents a person filing a nomination paper with the clerk during his normal office hours during the four days immediately preceding nomination day.

OFFICES FOR WHICH PERSONS MAY BE NOMINATED:

Reeve Deputy Reeve Councillor Public School Trustee

ELECTORS ARE HEREBY required to take notice and govern themselves accordingly, and further take notice that the manner in which said nominations shall be filed is set forth in section 36 of the Municipal Elections Act. Nomination forms and full particulars of procedures to be followed, may be obtained from the undersigned.

If a greater number of candidates than required to fill the said offices are nominated and make the required declarations, notice of the time for the holding of the poll, including the advance poll and notice of the last day for making applications for a certificate to vote by proxy will be given forthwith.

AND FURTHER TAKE NOTICE that where the number of candidates for an office who are nominated at the end of nomination day is not sufficient to fill the number of vacancies to which the candidates may be elected, subsection 1 of section 40 respecting acclamation applies to those candidates and, on the Wednesday, following nomination day, October 20, 1982, the clerk may, between the hours of 9 o'clock in the forenoon and 5 o'clock in the afternoon, receive and certify additional nominations for the remaining vacancies in the office in respect of which there was an insufficient number of candidates.

Given under my hand this 6th day of October, 1982.

Elva V. Bates
Returning Officer

NOMINATIONS TOWNSHIP OF MONMOUTH

NOTICE IS HEREBY GIVEN that nominations may be filed in the office of the clerk between the hours of 9:00 a.m. and 4:00 p.m. on Thursday, October 14, 1982 and Friday, October 15, 1982 and between the hours of 9:00 a.m. and 5:00 p.m. on Monday, October 18, 1982.

THE OFFICES FOR which persons may be nominated are:

REEVE
DEPUTY REEVE
COUNCILLOR
[three to be elected]

PUBLIC SCHOOL BOARD TRUSTEE

for the County of Haliburton Board of Education

Where the number of candidates is not sufficient to fill the number of vacancies to which the candidates may be elected, additional nominations for the remaining vacancies may be filed in the office of the clerk on Wednesday, October 20, 1982 between the hours of 9:00 a.m. and 5:00 p.m.

DATED AT WILBERFORCE, ONTARIO THIS 4TH DAY OF OCTOBER, 1982.

Sharon Hunter, A.M.C.T.
Clerk and Returning Officer
Township of Monmouth

TOWNSHIPS OF GALWAY AND CAVENDISH NOMINATIONS

NOTICE is hereby given to the Municipal Electors of the Township of Galway and Cavendish in the County of Peterborough that the period during which nomination papers may be filed in the office of the clerk for the purpose of municipal elections will commence on Thursday, October 14, 1982 at 9 a.m. and continue during the normal office hours of the clerk until the close of nominations on Monday, October 18, 1982 at the hour of 5:00 o'clock in the afternoon. Nominations will be received for the offices of:

Reeve
Deputy Reeve
Councillors (3 to be elected)
and two

Public School Trustees for the County
of Peterborough Board of Education.

If there was an insufficient number of candidates for any office, additional nominations for the remaining vacancies in any office may be filed in the office of the Clerk on the Wednesday following nomination day (October 20) between the hours of 9:00 o'clock in the forenoon and 5:00 o'clock in the afternoon.

If a greater number of candidates than required to fill the above offices are nominated, an advance poll will be held on Saturday, October 23 and Saturday, October 30 at Fire Hall #1 on the Galway Road and Fire Hall #2 on Highway 507 (9 a.m. to 8 p.m.) and the regular poll will be held on Monday, November 8, 1982 at Fire Hall #2 in Cavendish on Highway 507, the Fire Hall #1 on Galway Road and Mrs. Crego's House, Kinmount, Ontario. (11:00 A.M. to 8:00 P.M.)

DATED AT KINMOUNT, ONTARIO, THIS 6TH DAY OF OCTOBER, 1982.

Joan McCausland, A.M.C.T.
Clerk and Returning Officer of
The Townships of Galway and
Cavendish
KINMOUNT, Ontario. KOM 2A0

Sherborne holds meeting

The regular council of Sherborne, McClintock and Livingstone was held September 13.

The minutes of regular meeting of council August 30 were approved as circulated.

Road superintendent, Delbert Page, up-dated council on various road works undertaken and completed over the past month. Concerns of members were presented to Page and duly answered.

County engineer, Bill Obee, upon invitation of council, was in attendance along with various ratepayers who have built homes or cottages along County Road 8 and are experiencing some changes as a result of a portion of the road being diverted away from the lake-shore creating new entrances.

Mrs. Russell might experience more snow being deposited along the front of her residence due to the fact that part of the old road would be stopped up, closed and sold. It was suggested that perhaps Mrs. Russell could receive statement in writing from Mr. L. McGuire to allow the Township to deposit some snow on his property prior to her driveway entrance.

Norman and Lawrence McGuire, brothers, were concerned if the section of road now being turned back to the township would be stopped up, closed and sold to Norman, Keith, or Lawrence or whether a section would remain open, but not open for traffic. Reeve requested that the McGuire brothers put down in writing what their desires are, in order that a final decision can be made as to the road status.

Mrs. Russell also pointed out to council that with this new diversion of County Road 8 at the head of Trader's Bay, snowmobilers would have difficulty in gaining access onto or off the lake. With the stopping up and selling of lakeshore property snowmobilers would be trespassing. It was suggested that perhaps the local snowmobile club should look into this potential problem.

Jon Derry expressed his disapproval of a mutual driveway created for his access onto the new section of County Road 8. He felt it would require a great deal of maintenance and increase cost of snowploughing. This mutual driveway is shared by a seasonal resident. Derry requested he receive a letter from the county engineer that the first section of the mutual driveway would receive the same surface being applied to the new section of County Road 8. Obee said this was in the plans.

Page spoke to council about re-locating the stock pile of winter sand/salt. Land Acquisition/survey and deed preparation would not be subsidized by the Ministry of Transportation and Communications, therefore some planning had to be done to allow for expenditures to be incorporated in the 1983 budget mill rate considerations. Private land was considered and the clerk was directed to write the property owner asking if he would be interested in selling a five acre parcel of land or whatever is required under the by-law.

Page informed council that brushing operations will take place in the vicinity of the "Y" (con. 10, part lot 13/14 Livingstone township) on in to the Wolf Lake road area.

Council directed the clerk to petition Ministry of Transportation and Communications for third interim payment of subsidy for expenditures of road and bridge during the period of January 1 to August 31.

Road voucher 8 was approved for payment in the amount of \$5,795.08.

Arthur Haynes reported to council as to the number of permits issued since last month's report. Council was brought up to date on letters re: building permits revoked, inability to obtain building permit because of not meeting by-law set backs and lastly building without a permit.

Council directed the chief building official, Haynes, to notify township solicitor, James Cruickshank, to follow up on stop work order dated August 6. Haynes located a building having been built without a building permit on part lot 8, concession 2, Livingstone Township. Council authorized the solicitor to inform the owner to remove the building from the property.

Next on the agenda was a request to have part of Original Allowance for road stopped up, closed and sold to adjacent property owner.

Application, dated August 30, for closure stopping up and sale of a portion of an allowance for road in part lot 4, concession 12, Township of Sherborne, adjacent and abutting a tract of land registered as Instrument Number 761 and 33451 and the shoreline in part of Hollow River, as submitted by Patrick and Patricia Balkwill joint tenants to the portion of Road Allowance was recommended by council.

The clerk-treasurer was instructed to proceed with the necessary steps in the procedure for closure, pursuant to the Municipal Act R.S.O. 1980 as amended and in accordance with county and municipal policy covering the closure, stopping up and sale of portions of road allowance.

The general accounts in the amount of \$1,062.42, were authorized for payment.

Council donated \$250 to assist the Dwight - Oxtongue Snowmobile Association maintain and groom snowmobile trails within McClintock Township to promote tourism throughout the winter months. This donation is given in lieu of declining grant monies from the Ministry of Natural Resources for grooming of trails. The cheque will be issued to the association in December.

Council was informed of a meeting September 7 between Reeve, Fred Baum, clerk-treasurer and Dick Ellis from Ministry of Natural Resources. Ellis' principal purpose was to request this municipality to sponsor a candidate project which entailed the grooming and maintaining of snowmobile trails on crown lands more specifically known as Dorset - Oxtongue Snowmobile Trails. This project would be affiliated with U.I.C./Federal/Provincial funding. After extensive discussion and review council declared to be a sponsor for Provincial Parks Sector Work Program (Canada-Ontario). A program of employment bridging for workers eligible for unemployment insurance benefits. The candidate project will be to groom and maintain Dorset - Oxtongue Snowmobile Trails.

Councillor Joyce McKey handed out the Community Centre Feasibility Study (Scheme "C") submitted by Roger du Toit Associates Ltd. Council read the contents and further discussion took place at the special meeting of council, September 16.

Municipal staff at a recent seminar were given information that Georgian College offered classroom instructions for those who wish to qualify for A.M.C.T. designation. Information sheets were given to members of council.

The Council recommended that one employee enroll in the Municipal Administration programme. Upon completion and passing of this course that the municipality consider reimbursement to the candidate of: 100 per cent of fees, with the condition of two year continued employment with the municipality after the completion of this course. This fee to be reimbursed to the municipality if the candidate leaves employment before the completion of two years, 75 per cent of fees without further commitment to the municipality of employment after completion of this course.

A special meeting of Sherborne, McClintock and Livingstone was held September 16.

The meeting began with Brian O'Donoghue, Ministry of Natural Resources, describing the background of the Land Use Strategy and he indicated that it had been in the making for the past 10 years. He outlined the various categories in the strategy, its policies, programmes, their intent and implementation of same. He described in detail the resource management areas appearing in figure eight of the strategy, and categories 1 to 13. The effects of the strategy within the three townships was discussed.

Dick Ellis explained the proposed candidate parks of the strategy. These proposed parks are: Ragged Falls (McClintock Township): This area is to be classified as a "Waterways" park due to the natural features and historical resources of the falls. Its water course would provide recreational uses such as canoeing. It was recommended that consideration be given to include other recreational uses such as hiking and cross country skiing in the other area from Ragged Falls to High Falls as well; Dividing Lake / Rockaway Lake (Livingstone Township): This area is to be classified as a "Nature Reserve Park" due to the concentration of tall white pines. Much controversy arose as a result of the possible incompatibility of snowmobiles within the park area and therefore they would be prohibited. Council indicated its objection to this classification as it did not feel that snowmobiles were detrimental to the intended use of the proposed park. The effect on tourism regarding the loss of utilizing the Tall Pines Trail would cause significant decline in the tourists in this area during the winter months and therefore would effect the economy of the municipality.

Further discussion took place regarding the loss and/or acquisition of lands. Council questioned M.N.R. as to the possibility of Crown releasing some of their lands to the private sector. The response was negative. The loss of more land to the parks program would create a financial burden to the municipality as the land ratio at the present time is eight per cent patent land versus 92 per cent Crown land. After further discussion regarding council's concerns, the deputy clerk-treasurer was directed to submit a report regarding their concerns and recommendations to the Land Use Strategy Proposals of Bracebridge and Minden; and this report was submitted to the Ministry of Natural Resources prior to the end of September.

Council discussed the letter received from R.C. Cox of Red Pine Lake. They directed the deputy clerk-treasurer to forward a letter to the Ministry of Natural Resources in Minden, requesting it to consider the establishment of docking facilities in the area of Kennis Lake Dam. These docking facilities would be utilized by individuals located on Kennis and Red Pine Lakes.

Ron Payne and Brian Hughes attended the meeting to discuss the Dorset Community Centre feasibility study (Scheme "C") as submitted to council at their regular meeting September 13. After lengthy discussion concerning the proposal, council adopted the proposed new "Community Centre Feasibility Study (Scheme "C")" submitted by Roger du Toit Architects/du Toit Associates Ltd. and prepared for The Corporation of the United Townships of Sherborne, McClintock and Livingstone and the Dorset Community Centre Building Committee and the Townships of Sherborne, McClintock and Livingstone will make written application to the Ministry of Citizenship and Culture / Ministry of Tourism and Recreation for a C.R.C.A. grant and the Wintario capital grant. Council authorized the clerk-treasurer or the deputy clerk-treasurer to sign all documents required for the completion of the grant applications.

Council directed the Clerk-Treasurer to open an account with the Bank of Nova Scotia to collect funds and private donations for the new Dorset Community Centre and this account will be known as "Townships of Sherborne, McClintock and Livingstone - Dorset Community Centre Building Fund". Signing authorities were given to the clerk-treasurer and deputy clerk-treasurer.

Due to the financial burden on the township of carrying the Wintario grant, council and the members of the community centre board in attendance agreed to delay the application for the Wintario grant, however, application for the C.R.C.A. grant will be made as soon as possible.

Council expressed their support to the Community Centre Board in their efforts to complete the first phase of the new community centre and thanked them all for their effort that had been put into this project to date.

DISTRICT NEWS

Gooderham News *by Mary Hadley*

Gooderham did itself proud in hosting the second event of the Harvest Festival last Saturday in the community centre. The theme was German Bavarian food and music. The ladies wore blouses, full skirts, white aprons, prettily embroidered lace bodices. The men looked typically Alpine in their short pants and green felt, feather trimmed hats. Food to be snacked anytime consisted of cabbage rolls, cabbage, cole slaw, salads and calorie-rich desserts such as black forest cake, apple strudel and streusel and eclairs. David Frazer played German music on the stereo until Nancy Picard arrived with her accordion and alternated with David. It sounded like "El Prosit" as dancers took to the floor. Later in the evening Peter Picard took over as D.J.

Many people arrived to buy or produce passports, previously purchased. They then could imagine they were in Germany and enjoyed a rollicking evening.

Those who decorated the centre should take a bow. It was artistically done with beautiful coloured leaves, harvest products, and articles to enhance the Bavarian theme.

Patrons sat at gingham-covered tables while enjoying food, drink and the sounds of oompah.

Such an event is never organized without a huge amount of work on the part of many citizens. The cosmopolitan crowd demonstrated an exercise in cooperation and brought together all parts of our county. The fete was sponsored by the Haliburton Highlands Chamber of Commerce and which did much to publicize this beautiful part of Ontario, especially during this glorious season. It is a salute to our county that soon will drop the word "provisional" in its name.

Bouquets to those who worked hard to make this occasion the success it was. We hope it can be repeated next year.

There has been a change in the time of our foot care clinics.

The one scheduled for October 16 is cancelled and the next one will be Monday afternoon, November 1. These clinics will continue on the first Monday afternoon of each month. Appointments must be made by the preceding Friday noon so that arrangements can be made by the staff. Kindly phone 447-2803 by Friday, October 29.

Ruby Smith, of Lindsay, visited her sister, Beulah Barr, and husband, Gordon. We are pleased to report that Bob Billings, feeling much better, has returned from hospital in Peterborough.

Audrey Prentice, with her daughter, Barbara and two children, Douglas and Janice, as well as Murray and Rosaline, Madill of Peterborough, spent last week-end in Gooderham.

Visitors last week with Marjorie and Walter Madill were Marjorie's brother and his wife, Victor and Helen Lancaster of Bobcaygeon.

Claire and Ed Loft of Windsor spent last week at Barr's cottage on Pine Lake.

Helping celebrate the anniversary of Vivian and Tommy Dovell last week, were Ross and Myrtle Alsop of Port Perry and Judy and Blaine Alsop of Powles Corners.

Last Wednesday evening the Glamorgan Senior Citizens met in the community centre for their annual meeting. This was the monthly pot luck dinner.

After Jean Frazer asked the blessing, 36 members and friends sat down to a dinner of a variety of casseroles and desserts. Among the guests welcomed were: Claire and Ed Loft, Peggy and Brian Durmott, Elva Whitcombe, Gladys Monaghan, Ruby Smith, and Helen and Vic Lancaster. The minister and financial reports were received after which Fred Vanderland presided for the election of the executive for the coming year. This resulted in the same efforts slate as in the past year being returned to office for the term September 1982 to September 1983. The executive stands: president:

Ivan Hunter; first vice Fred Vanderland; second vice Ken Bell; secretary Marjorie Madill; treasurer Mary Hadley; directors Violet Billings, Jean Frazer, Ileen Hunter, Walter Madill, Dorothy Robertson and Evelyn Vanderland. The president, Ivan Hunter, expressed his appreciation for everyone's co-operation during the past year and his satisfaction with the healthy condition of the club. In return, he was thanked for his leadership and guidance which played a large part in the success of the group. Marjorie Madill, on behalf of the club, then presented Hattie and Howard Ackley with a "Friendship Book" for 1983 and a life membership in the club, that day being the 60th anniversary of their wedding. The group then participated in various games until adjournment.

Tory Hill pastoral charge of the U.C.W. hosted a get-together with their twin, Cambridge Street United Church, Lindsay, Thursday. Two bus loads, about 90 members of the U.C.W. and members of their senior citizens' group, travelled north on a colour tour of our Haliburton Highlands. At noon they met members of the Tory Hill Pastoral Charge for a luncheon, sing song and chat in the community centre.

After this break they resumed their tour, travelling to Haliburton via the Buckhorn Road north, thence along highway 121 to Tory Hill and then back to Lindsay.

The minister, Maurice Bradley, and Rev. Henry Gaetz, minister of the Northern Pastoral Region, were present.

Thirty-nine members of a senior citizens' club from Bowmanville, of which Marion James is president, travelled to Haliburton last Tuesday to view our colour panorama. After dinner in Haliburton, they drove to Marion's cottage on Pine Lake where they enjoyed a coffee break before returning home. They were enthusiastic about the beauty of our area.

Guilford Potpourri

by Gladys Kreller

Hi everyone, another lovely fall week has gone by and the beautiful colours are fading fast. There seems to be an epidemic of colds and sniffles going around in the area, but some people are getting better. William Stewart, son of Don and Georgina Boland and Donald Cook, son of Ray and Sylvia Cook have both returned home from the Peterborough Hospitals. Ernie Schlivert was taken to the Haliburton Red Cross Hospital by ambulance on Monday.

Sunday school started on Sunday, at the Maple Lake United Church with about 30 children attending. Any child over three years old is welcome to attend, even teenagers.

There was a fly-in breakfast at the Stanhope Airport on Sunday, with about 15 planes coming from various places such as Brampton, Brantford and Guelph to enjoy the coffee and pancakes supplied by the airport committee and cooked by Harry Davis. One of the planes of distinction was a World War 2 DeHavilland Chipmunk trainer plane from Brampton and an authentic German Observation plane flown by Neil Kirby of Oakland. Besides having breakfast, they had contests for prizes, such as a spot landing contest, where they put a spot on the runway and the plane landing closest to the spot wins a prize, and a Flour Bombing Contest where they take a plastic bag full of flour up in the air 400 feet and drop it and the one that comes closest to the spot marked wins a prize.

The airport committee have circulars printed up to invite pilots to come for breakfast and the local pilots fly to different airports around and put the circulars

up on their bulletin boards. It is a very cheap breakfast at \$2.50, all you have to do is fly a few hundred miles to get it.

Thursday, near Kirkland Lake, an empty dynamite truck drove into the back of a stopped school bus and pushed it over a bank and the bus rolled over killing one child and injuring several more. Patrick Handy, son of Mr. and Mrs. Dennis Handy of RR#1 Raymore and grandson of Nelson and Frieda Handy of RR#1 Haliburton was one of the children injured. Mrs. Frieda Handy spent the week-end in Raymore and told me that Patrick had a crushed foot which has been operated on. He will be okay but will be out of school for quite a while. Apparently the fog was very bad and the driver of the truck didn't see the school bus lights. We also have very dense fog here in the mornings, so be extra careful.

Merrill and Merrie Barry spent the week-end in Lucan, Ontario where they attended the International Plowing Match.

A tip of the good neighbour hat to Marshall Barry for helping in the time of sickness.

People in the neighbourhood better lock up their cottages and homes when they go away because there have been an awful lot of break-ins lately. One cottage has been broken into twice in two weeks.

If anyone has any news they would like printed in the Potpourri column please call 754-3005 or write it out and drop it at the Silver Valley Store or the house behind the store.

Well, that's all for now, see you next week.

Coboconk News

I was sorry to hear Mrs. Millyard, who was suffering a broken leg, went to Ross Memorial Hospital last week. Everett Fountain, local stock trucker from Norland, has been a patient in Ross Memorial Hospital. He is not feeling well and needs some cheering up. I hope his many friends will send a card of cheer.

Congratulations to Mr. Rod Cameron who turned 86 years old in the first week of October.

Winners in the seniors euchre and bridge on Tuesday were as follows: ladies first: Flo Penrose, ladies second: Joan Bowins, ladies consolation: Elsie Barker. Most lone hands, Alice Madill. Gent's First: Oliver Auston, gents second: Eunice Kingdon, consolation: Howard Stewart. Most lone hands

Hilda Hunter. Bridge winners were: first - Garnet Graham, 7680; second - Jack McNeil, 6000; low: Bernice Grant.

Mrs. A. Marles accompanied by Mrs. Rod Harrison and family, of Norland, attended the Little - Paxton wedding at Newmarket on Saturday. Brian Little is the grandson of Mrs. Marles.

Mrs. Vera Schell and son Rex visited her brother, Mr. and Mrs. Clinton Weaver at Lindsay last week.

Mr. and Mrs. Adam Carl of Sunderland were visitors of Mr. and Mrs. Ben Farrow last week.

The senior citizens enjoyed a bus trip to Cullen Gardens at Whitby last Tuesday and Thursday visited Lanark and several other points of interest in that area.

Properties continue to be listed on the real estate market, and with insurance and taxes on a home, its understandable. Besides, in our area, there are many unemployed and maintaining

a home becomes more expensive. One of the latest real estate signs is on the home owned by the Revell Bradamores on the north side of Grandy Road. After hearing about how generous our banks and government are with Dome Petroleum, it seems there is no help for the "little man". One wonders if there is any fairness in life. There are several in town, whose unemployment insurance runs out this month, that have not found work since Vic Ply burned last October. Rather a tough prospect with winter coming.

GOOD BUYS IN THE CLASSIFIEDS

Kinmount Korner by Millie Moss

Saturday, September 18 was a happy day at the Ferren home when the family of Pat and Ambrose Ferren held a retirement party for them at the Brooklin Legion. Ambrose had served 31 years and eight months at General Motors. He was chairman for the P.A.C. and also head committee man. Pat had worked many years managing the Thunder Bird Restaurant at Myrtle and the curling club in Oshawa. They received many gifts which included a money tree. Their family gave them a set of luggage. Among the many friends and relatives who attended the event were Mrs. Kay Allen and Mrs. Mike Cain, from Kinmount, sisters of Ambrose. His nephew, Lloyd Barriball of Fenelon Falls was also present. Some guests were co-workers of both Pat and Ambrose and all wished the happy couple many happy retirement years ahead together. To make their day even nicer, a son, Allan Ferren, travelled from his Calgary, Alberta home to be in on the celebrations.

Saturday, September 25, the Kinmount Legion Ladies Auxiliary hosted a dance where a good crowd showed up to join in the fun. President, Lil Platt, made a birthday cake in honour of one of our latest senior citizens, Gord Taylor of Norland, now 65, and Albert Crego who turned 70 on September 8. "The Three Musketeers", Gord Taylor, Albert Crego and Bill Lilley went up on stage to be thanked by the ladies for all their help with the ladies' parties. Music was supplied by records and lunch was served. Albert Crego was master of ceremonies. John and Marion Steneford of Beeton, who were guests of Dora and Bill Lilley, at their home in Norland, attended the dance and returned home Sunday.

Kay Allen spent the week-end, last week, with Lil and Gord Taylor in Norland.

Happy birthday is wished to Marg Viney, of Kinmount, on October 5 and to her son, Mike, October 6. Happy birthday wishes also go out to Amy Cober, October 17, Jason Moss, October 19.

A daughter, Gale Brandenburg and her three

daughters, of Newmarket, visited with Bill and Ruth Menard in Kinmount, Friday.

Visitors for a week at our place were Bonnie Walker and Charlie Ryan of Weston. Charlie caught a 30 inch muskie Thursday morning at the foot of our yard. Bill and I are now living at the property on Havendale Blvd. which backs onto the Burnt River. We will stay here over the winter and decide whether to stay here or go back to the Avenue. In the meantime, if you wish to call me, our number is now 488-2353.

Our congratulations to Doris Bartley of Norland, who won \$190 in the bingo jackpot at the Coboconk Legion, Thursday.

Those geese were a beautiful sight as they flew south for the winter. I saw flocks of them three days in a row.

We had a near tragedy at our house this past week when we tried to disconnect our canary's cage and suddenly dropped it to the floor. The canary was very frightened but unhurt. Then, when we arrived at this house, Bill decided to clean the cage outside the house. The canary got out and everytime Bill tried to get him, the canary would hop or fly away. He ended up on the branch of a tree and as Bill held the branch and I reached, a small twig frightened the bird into flying further down the hill. I ended up on the hill amongst the rough brush talking to a canary and talked him right into my left hand. By the time he was safely back in his cage, he was one distraught canary. He seems to be settling in now though. The only excuse I have in being out there talking to a canary is that it happened the day before a very traumatic event in my own life. October 2, I reached the age of spouses' allowance. Thank you Sheila Lake, for the unexpected but very nice birthday card.

The leaves are certainly beautiful right now. It makes you glad to be alive!

St. James A.C.W. will be holding its annual turkey dinner at the Kinmount Legion Hall on October 23 from 4:30 p.m. to 7 p.m. Admission for adults is \$5, children 6 to 12 years of age \$3 and preschoolers free. Come out and enjoy a home cooked

meal with lots of home made rolls and pies for far less than you could cook it at home.

I hope you folks suffering from that virus going around are feeling better.

Stay well and happy and be here next week.

Minden has council Caribou Lodge road name changed

The regular meeting of Anson, Hindon and Minden council was held September 22.

The minutes of the meeting held August 25 were adopted as circulated.

Council agreed to change the name of the Caribou Lodge Road on highway #121 and to request Ministry of Transportation and Communications to erect new fingerboard signs reading Old Allsaw Road (formerly Caribou Lodge Road).

Council accepted the quotation of J.A.C. Kernohan Construction Limited to provide assistance and services as outlined in the quotation dated September 13, 1982 for the Prince Street reconstruction.

Pursuant to a classification review of the Bobcaygeon Road completed by Totten Sims Hubicki, the Township of Anson, Hindon and Minden will request the Provisional County of Haliburton to assume the Bobcaygeon Road into the County Roads System as soon as possible.

The Reeve and Clerk were authorized to endorse a conveyance to J. Thomas Creighton McMullen for part of the shoreline allowance designated as part 1 on Plan 19R-2626.

The Reeve and Clerk were authorized to endorse a conveyance from Couchiching Real Estate Limited for property designated as Part 1 on Plan 18R-2453.

It is not the intention of the Corporation of the Townships of Anson, Hindon and Minden to now or ever stop

up, close and convey the original road allowance leading to Bob Lake between Lots 10 and 11, Concession 2 in the Township of Anson, in the Provisional County of Haliburton and that this resolution be registered on title against the lands to which it applies.

The following supplementary accounts were approved for payment. General \$3,107.27.

The Townships of Anson, Hindon and Minden authorized the Ministry of Environment to purchase and install an alarm system at the Water Pollution Control Plant as outlined in a quotation from Northern Commercial Electronics Ltd. and further that the township has no objection to the Ministry using the existing antenna and transmitter in conjunction with the fire department providing that this additional system does not interfere with the fire department's operations.

Council supported the Minden Recreation Committee's application to Wintario for funds to update and renovate the auditorium at the Minden Community Centre.

By-law 82-33 was read a first time and considered read a second and third time and passed. Being a by-law to relinquish a portion of Lot 3, Concession VI in the township of Minden, designated as Parts 1 and 2 on Plan of Survey 19R-2646 and to relinquish a portion of Lots 2 and 3, Concession VI in the Township of Minden designated as Part 1 on Plan of Survey 19R-2648.

Sherborne holds regular meeting

Intended for last week -

The United Townships of Sherborne, McClintock and Livingstone held a regular council meeting, August 30.

The minutes of regular meeting of council August 9 and those of a special meeting of council on August 17 were approved as amended.

General discussion took place regarding the following items:

The letter received from Mr. J.A.G. Bell, Deputy Chairman of the board, president and chief operating officer of the Bank of Nova Scotia was read to council. It was stated in the letter that the bank felt that there was no additional business being generated at the Dorset branch and therefore a five-day week operation was not warranted.

Further discussion took place regarding the Ministry of Natural Resources' Land Use Strategy for the Bracebridge and Minden Districts. Council requested an extension of the deadline which was set by M.N.R. regarding additional comments.

Mrs. London had an informal discussion with Council regarding the parking situation at McComb Point Road. Council was informed that a parking lot would be created by the ratepayers in the vicinity of McComb Point Road if the Municipality agreed to the snow ploughing of same. Council advised Mrs. London that a letter would be forthcoming stating that if the parking lot to be created by the ratepayers directly off the South Kawagama Lake Road was approved by both County Roads Department and local township road's department, this municipality would snowplough same.

The letter received from Mrs. Lahay, county clerk, August 18, was discussed at Council. The letter outlined the various steps to be taken regarding the passage of the County of Haliburton Act. It is expected to come into force on December 1.

The application, dated August 23, for closure, to stop up and sell a portion of an allowance for road in part of lots 12 and 13, in concession 10, township of Sherborne, adjacent and abutting a tract of land registered as instrument #30907 and the shoreline in part of White

Trout Bay (Kawagama Lake) as submitted by Mr. John Petrie and Mary Petrie, joint tenants to the said portion of road allowance. It was recommended by council and the clerk-treasurer was instructed to proceed with the necessary steps in the procedure for closure - pursuant to the Municipal Act, R.S.O. 1980 as amended and in accordance with County and Municipal Policy covering the closure, stopping up and sale of portions of road allowances.

Council reviewed the letter and enclosure dated August 13 from the Corporation of the Township of Stanhope regarding the Kanawa Canoe Museum and the possible relocation of same. After some discussions, the following resolution was passed.

Council for the United Townships of Sherborne, McClintock and Livingstone support the concerns of the Corporation of the Township of Stanhope and the "Haliburton County Citizens for Kanawa Museum" to ensure the continued existence of the Kanawa Canoe Museum in Stanhope Township.

That a copy of the resolution be forwarded to the following: Messrs. John Eakins, MPP; Wm. C. Scott, MP; James McLaughlin; and the Ministry of Culture and Recreation.

Council reviewed the letter from Employment and Immigration Canada regarding (Federal) 1982-83 Canada Community Development Projects. Council members will compile lists of possible projects for consideration at the next meeting. (It was noted that applications were to be submitted no later than September 30.)

Council was in receipt of a letter dated August 24, from the Dwight-Oxtongue Snowmobile Association which requested financial assistance for the trail maintenance of the Dwight-Oxtongue trails. It was noted that after some research was done, a decision would be forthcoming.

Council directed the clerk-treasurer to issue cheque to re-imburse Petty cash fund in the amount of \$50.65.

At this point in the meeting Council reviewed the financial statement which was prepared to August 20.

Council at 12:30 p.m. went into a Committee of the Whole to discuss appraisals for possible sale of municipal lands known as Block "F", Plan 545 located in Part Lot 26, concession 12, Township of Sherborne.

Council decided to have an advertisement placed in the papers and authorized the posting of signs in conspicuous places regarding the sale of the above mentioned parcel of land. A reserve bid (sealed) was placed on file.

Committee of the Whole adjourned at 12:55 p.m. to resume the regular meeting of council.

Mr. Dalton A. MacDonald announced his intentions for running for the seat of Reeve in the upcoming election.

Galway/Cavendish hold meeting

The regular Galway Cavendish council meeting was held September 11.

Minutes of the Galway hall building committee meeting, September 10, were reviewed.

It was recommended to council that Greer Galloway be asked to invite at least two tenders plus a re-tender from Stoughton Electric for tender #6 (Mechanical).

It was recommended to council that the low tenders for sub-tender #2, #3 and #4 (Carpentry) in the amount of \$99,980 be awarded to Beachli Construction and that the low tender for sub-tender #5 (electrical) in the amount of \$20,240 be awarded to Jones Electric.

H. Stuart was authorized to dispose of used materials from the old hall at a reasonable price.

This committee recommended to council that the proposals as submitted in the letter of September 8, 1982 from Beachli Construction with the exception of the suggestion referring to the walk-in cooler be accepted. The reductions/substitutions result in a net decrease to sub-tenders #1 - #4 inclusive of \$8,709 and further that drywall is to be installed on the underside of the floor joists as specified in the tenders.

The minutes of the August 30 meeting were deferred until the next regular meeting.

Manfred Dziedzic, representative from Hagen Real Estate, attended the meeting to discuss the sale of Lots 11, 12 and 13 on Concession 16, Galway Township.

The offer to purchase Concession 16, lots 11, 12 and 13, Galway Township from Udo Lewerentz, in the amount of \$24,500 was accepted and the Reeve and Clerk were authorized to sign all documents to complete the transaction.

The minutes of the Galway Hall Building Committee meeting of September 10 were adopted as presented.

The sub-tender #6 (mechanical) from Stoughton Electric Ltd. for the Galway Hall up-grade and expansion project was not accepted and further that Greer Galloway Ltd. was authorized to invite bids from at least four companies on the mechanical

specifications with submissions to be received by Greer Galloway by 4 p.m. September 23, 1982.

By-law 82-37, being a by-law to sell municipal lands (Conc. 13, Lot 13, Galway - Phil Politi) was read a first time, and deemed to be read a second and third time and passed.

By-law 82-38, being a by-law to sell municipal lands (Conc. 17, Lots 4 and 5, Galway - Joseph and Catherine Mulroy) was read a first time and deemed to be read a second and third time and passed.

By-law 82-39, being a by-law to amend by-law 81-42 (property sold on Peter's Island) was read a first time and deemed to be read a second and third time and passed.

The lowest tenders submitted for the upgrade and expansion of the Galway Hall from Beachli Construction and Jones Electric Ltd. were accepted. The tenders are as follows: Beachli - sub-tender #2 carpentry, \$54,429; Beachli - sub-tender #3 roofing and siding, \$19,345; Beachli - sub-tender #4 dry-wall and acoustics, \$26,209; Jones Electric - sub-tender #5 electrical, \$20,240.

The British Empire Motor Club was granted an extension to October 13 to remove their signs from various locations in the municipality.

The concept of the proposal from the Galway Firemen's Association to develop the area known as Lot 6, Concession 13, Galway for recreation purposes and a training area was supported by Council and referred to the Galway Cavendish Culture and Recreation committee for their consideration and development of appropriate controls and administrative responsibilities.

Severance B-96/82 and B-97/82, Gail Foster, Lot 29, Conc. 2 Cavendish, was deferred and the Clerk-treasurer will contact the applicant for clarification of certain points on both applications.

Severance B-98/82 (John Newman, Conc. 18, Lot 17 Cavendish) was supported as it is in addition to an already existing lot and further that Policy 81-2 apply.

Tenders will be invited for snow removal in the Cavendish area for 1982-83. The closing date for submissions will be October 8, 1982, at 4 p.m.

By-law 82-40 being a by-

law to confirm the proceedings of Council at its meeting held on September 11, 1982 was read a first time and deemed to be read a second and third time and passed September 11.

Don't substitute with heat detectors

People who substitute heat detectors for smoke detectors hoping they will provide an early alert in case of fire are playing Russian roulette with their lives, warns Ontario Consumer Minister Dr. Robert Elgie.

Dr. Elgie said his ministry has learned that some unscrupulous salespeople are using high pressure scare tactics to sell expensive heat detectors as complete fire protection for the home.

"They are offering free demonstrations to show how heat detectors can save lives. They end the demonstration by showing tragic or gruesome pictures of a family that has just lost a loved one in a fire. At this point many people will buy heat detectors to prevent a similar tragedy from happening to their families."

The heat detectors are being sold door-to-door for \$130 each. Smoke alarms can be bought for \$15 to \$25 each.

Dr. Elgie said these salespeople are misrepresenting their product if they say or imply that heat detectors guarantee life safety in homes.

"This just isn't true. Heat detectors are not adequate substitutes for smoke

alarms. Heat detectors react to heat rather than smoke, and usually take much longer to activate. By the time they do go off a family could be dead of smoke inhalation," Dr. Elgie said.

Dr. Elgie said that detectors are commonly used in commercial and industrial buildings to minimize property damage due to fire and heat and that smoke detectors have proven to be effective in providing an early warning of fire conditions in houses.

There are two types of smoke detectors on the market, ionization and photoelectric. Ionization type detectors are triggered by products of combustion gases, often before there is any other indication of fire. Photoelectric detectors set off an alarm when smoke interferes with the flow of light into the unit. Units for home use include battery-operated, plug-ins and direct wired electrically powered models.

The ministry has produced an information sheet and pamphlet about smoke detectors, their installation, operation and maintenance. For more information write to: Consumer Information Centre, Ontario Ministry of Consumer and Commercial Relations, 555 Yonge Street, Toronto, Ontario, M7A 2H6.

Farm News

If you eat, you are involved in agriculture.

If you are involved in agriculture, then AGRI-FOOD week, October 4 to 11 will be of interest to you.

In Canada we have 318,000 farmers who provide us with our most basic need...food.

But, farmers provide more than food. In Canada they provide direct employment for 480,000 people. That's jobs. There are about 4,000 food and beverage manufacturing establishments in Canada. They employ over 200,000 Canadians. That's more jobs!

About one-fifth of our gross national product (GNP) is derived from the total agri-food industry. That's billions of dollars generated in our own economy.

It is estimated that the agri-food industry and its supply and service industries constitutes about 40 per cent of Canada's economy.

In 1976 Canada exported about \$4 billion in food products and imported over \$3 billion. This resulted in a trade surplus of \$869 million, that's a plus for our economy. Trading has increased over the years so that by 1980 we exported close to \$8 billion in food products and imported about \$5 billion. This gave Canada a trade surplus of \$2.7 billion. Another positive economic gain for Canada.

However, approximately \$3.5 billion of our food imports consist of identical products grown in Canada. That is Canadian money flowing into the economies of other countries. It also means lost job opportunities for Canadians.

If we substituted Canadian grown products for some imports such as grape, apple or tomato juices instead of orange and grapefruit juices, this would put an additional \$1 billion back into our economy. If we became more

conscious of "buying Canadian" our economy and employment situation would improve considerably.

What is happening to our agri-food industry? Farmers earn pathetic incomes. For example, in 1978, the average Canadian farmer had a net income or "take home pay" of \$3,580.

Although exact figures for more recent years are not yet available, it is a fact that the net income of many farmers has declined steadily. Now Agriculture Canada forecasts net incomes for farmers will drop by 17 per cent for 1982, with a further decrease in 1983.

As interest rates and farm inputs such as fuel, fertilizer and chemicals spiraled upward, market prices for farm produce declined. This has forced them to reduce their purchases, increase their borrowings and sell off their assets to stay alive. Many have stopped farming and sold out.

To survive, farmers have had to support their farm operation through off farm employment. For 70 per cent of them, that off-farm job earned more than the net farm income, and incredible as it may seem, the combined on and off farm income still holds the average farm family's income below the poverty level by Canadian standards.

These facts deserve our consideration during Agri-Food week.

Agricultural Events This Week

Thursday, 10 a.m. - Beef Producer's Meeting and Dinner at Woodville Legion Hall, sponsored by Woodville Feed Mill. Please call 439-2982 in advance for meal reservations.

Thursday, 12 noon - Milk Producer's Meeting and Dinner at Woodville Legion Hall, sponsored by Wood-

ville Feed Mill. Please call 439-2982 in advance for meal reservations.

Tuesday, October 12, 7 p.m. - Kawartha Classic Holstein Sale, Peterborough.

Tuesday, October 12, 8 p.m. - Planning meeting for East Central Farm Conference, Lindsay Agricultural Office.

Wednesday, October 13, 10:30 a.m. - East Central Ontario Championship Holstein Show, Peterborough.

Wednesday, October 13, 11:00 a.m. - Stocker Sale at Woodville Sales Barn.

Wednesday, October 13, 8:00 p.m. - Victoria County

Federation of Agriculture Annual Meeting - Conference Room, Lindsay Agricultural Office. Guest speaker: Lawyer, Alex Mortlock, speaking on "Banks and the Farmer".

Saturday, October 16, 10:00 a.m. - 4-H Homemaking Clubs Achievement Program "More Outdoor Living" - Conference Room, Lindsay Agricultural Office.

Saturday, October 16, 4:00 p.m. - Fall Show and Sale of East Central Ontario Hereford Club at Peterborough Fair Grounds.

Trapping Seasons set

Lindsay and Minden District fur trappers are preparing for another busy season. Open seasons for fur bearers in this area are raccoon, October 15 to December 31, 1982; beaver and otter - October 25 to March 31; mink, October 25 to December 31; muskrat, October 25 to April 30, 1983.

Fur bearers in Ontario may be taken only by licensed trappers. All pelts, except muskrat, must have a seal or stamp attached by the Ministry of Natural Resources before they are sold to a fur dealer. Pelts may be sealed at the district office, 8 a.m. to 5 p.m. daily, Monday to Friday. Trappers may contact the office to arrange for fur sealing in other parts of the District.

All those involved in the commercial fur industry should take note of a recent investigation by area conservation officers. During the

winter of 1981 and spring 1982, Lindsay District conservation officers assisted by officers from five other districts, carried out an extensive investigation into the activities of a fur dealer in the City of Peterborough. As a result of the investigation, Mr. Henry Stein was convicted of ten violations of regulations relating to fur dealing including the purchase of unsealed pelts. Five thousand dollars in fines were levied by the Provincial Court in Peterborough. A large quantity of fur valued in excess of \$20,000 was ordered permanently seized, also.

Trappers are reminded of the importance of having their fur sealed by an officer of the ministry and to deal only with licensed fur dealers. Information regarding trapping regulations or licensed fur dealers can be obtained from the MNR District offices.

Lutterworth Township council holds regular meeting

from page 8

plan, reductions in hiring - specialists/years contracts only; 4) reduction in Board of Education members' remuneration; 5) provincial legislature's Bill '82, requiring all school boards in the province to provide special education, and to submit to the province specific 'guidelines' for implementation of the same. Council was advised by Mrs. Murdoch that the Haliburton County Board of Education has met these requirements by filing its report on 'implementation' to the Ontario Ministry of Education in the spring of 1982, which provides the schedule for the provision of special education services to the pupils under the Board's jurisdiction; 6) provision by the province of additional grant funding to assist with the increased expense in meeting the requirements of Bill '82. Murdoch noted that the funding provided to the school board in this regard would be insufficient in the long term, unless ongoing grants are received from the province; 7) retirement and replacement of two school board members during the

1981/82 term of office; 8) appointment of a new Business Administrator, Stan Baker, following the departure of Mr. James Leworthy to a new position. Baker commenced his duties on August 1, last. In the matter of school board expenditures Murdoch commented on the following factors contributing to increased costs: 1) inflationary costs; 2) declining enrollment; 3) reduction in grant funding from the province; 4) increased costs to maintain and operate schools; 5) escalating transportation costs; 6) changes in the Retail Sales Tax pursuant to the 1982 (Spring) Ontario Budget; 7) teachers on staff reaching maximum qualifications and seniority with respect to remuneration (new teachers starting out would be less expensive). Council queried the operation of the cafeteria located in the high school of Haliburton, and Murdoch noted the cafeteria was paying for itself with continuing subsidy support and increased prices to users of the service. Council was advised by Murdoch declining enrollment should level off by the year 1985. The

possibility of the school board running its own busing service was raised by council if it could be operated at less cost than the present system. Land Severance application for consent H-109/82, submitted by Mr. Frank Sidler to the Provisional County Haliburton, Land Division Committee, regarding part of lot 12, in concession 12 was recommended for consent. Margaret Valentine attended council to discuss application for closure and conveyance of a portion of the unopened 66 foot original shoreline allowance around the perimeter of Moore's Lake, fronting part of lot 26, in concession 6. Valentine indicated she would like to give consideration to a revision of the shore road allowance closure application to include those portions of the subject allowance front-

ing adjacent neighbours' waterfront parcels, provided the said neighbours would participate in a joint application for closure and conveyance. Mr. and Mrs. F.J. McMullin, property owners in part of lots 18 and 19, in concession 7, Gull Lake - Hwy. 35, attended to discuss their site specific objection to the Rural (RU) zone classification placed upon their property under the Township's new Restricted Area By-law no. 4-81, which provides for one seasonal dwelling house as a permitted use. Mr. McMullin advised council that under the Township's previous Restricted Area By-law no. 13-72, the subject property was covered under a mixed zoning, being partly Seasonal - Residential (SR) and partly Restricted Agricultural (RU1). In view

of the differences in the zone provision requirements under the Rural/RU zone (successor to the former RU1 and RU2 classifications) and the Shoreline Residential - Type Two/SR2 zone (successor to the former SR classification), Mr. McMullin requested his property be provided with the Shoreline Residential - Type Two (SR2) zoning. Council was advised of the following by Mr. McMullin: 1) Shoreline Residential - Type Two zoning on the subject lands (as a successor to the previous SR zoning) would be required to allow the McMullins' plan for severancing to create lots for immediate family (children) members in the foreseeable future to be followed; 2) The McMullin lands were previously approved for the creation of seven lots under a draft plan of subdivision,

which was subsequently abandoned on account of the stipulation of approval that the subdivision development would have to proceed immediately - which could not be justified by the McMullins under their planning program for their immediate family members at that time; 3) under the new zone provision requirements of the Shoreline Residential - Type Two classification, pursuant to by-law no. 4-81, a maximum of only five lots could be created, which would suit the McMullins' present requirements for the provision of lots for immediate family members; 4) the future planning of the development of the McMullins' lands was carefully thought out and laid down on an approved plan of subdivision over five years ago, albeit not proceeded with within the time frame stip-

ulated under Plan of Subdivision. Following discussion of the matter with Mr. McMullin, council instructed the clerk to request the municipal planning consultant to prepare a 'site specific' zoning amendment to alter the zoning classification on the McMullin's lands from Rural to Shoreline Residential - Type Two - as requested by Mr. and Mrs. McMullin to accommodate their plan for severancing to create lots for immediate family members in the foreseeable future. In the matter of the Township's 1982 application of calcium chloride to township roadways, Miller reported to council that all but 15 bags of calcium had been used up. Miller advised council that the remaining trees had been cut on the Murdoch Road right-of-way. Miller also re-

ported to council on the Iron Mine roadway improvements. Council received an up-date report on the road budgeted expenditure for 1982. Fox provided council with an up-date report on building permits issued to date in 1982. Concerning the August 16 correspondence received from Mr. H. Gerdtschke, regarding various matter of concern, council instructed Mr. Fox to reply that the township has no jurisdiction with respect to the issues raised in the letter. Mr. Fox reported to council in regard to a noise complaint received from a property-owner in the Deep Bay area. It was noted that the OPP have no jurisdiction in this matter unless the municipality enacts a Noise By-law.

Dutch Line settled
from page 9
the delight of the children, the deer would walk alongside them to the top of the hill and the fun would begin again. While many have thought the Upper and Lower Dutch Lines were named after early settlers from Holland it was a local misunderstanding that lead to the naming of the roads. The settlers came from the "fatherland of Germany" leaving their beloved "Deutschland" behind. And while the settlers were proud of their heritage, few others understood the meaning of Deutschland and the Dutch Lines came into being.

SETTING BAD EXAMPLE

With municipal elections only two months away, there may be some unseasoned people lured to seek election - to Boards of Education at least - because of the blatant example of the Scarborough Board of Education in increasing members' stipend 60 per cent starting December 1st.

Until now the maximum the provincial government would allow trustees has been \$7,200 a year, so increasing their stipend to \$11,500 next year, to \$12,190 in 1984, and \$12,800 in 1985, is a 77 per cent.

Obviously, there is far more involved being a trustee in Scarborough than in Elgin, but \$11,500 is half a working man's wage. It is doubtful Scarborough trustees spend that kind of time working at Board of Education affairs.

And this increase at a time when the federal government is promoting six and five per cent increases the next two years. Ten times those increases is nothing short of theft, and the provincial government should call a halt to it.

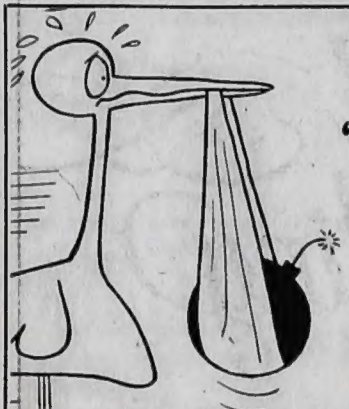

However, some Scarborough trustees say they will not accept the increase and will return it to the Board of Education.

With municipal elections in November, once the names of those who promoted the big increase are known they will be defeated. But those elected will be able to take advantage of the situation.

Almost as bad an example has been set by the York Region Board of Education, trustees of which have voted themselves a 49 per cent increase over the next three-year term of office. So the \$7,200 they are receiving will be increased to \$9,994 next year, and to \$11,068 by December '84.

Where regional government was implemented wages for those involved - elected and salaried - have gone far too high. With the provincial government paying most of it, the disease of higher stipends has spread across the province, the latest examples appearing as though the sky is the limit for stewardship which used to be free.

23. COMING EVENTS

"CHRISTMAS SALE
AND FLEA MARKET"
Do your Christmas shop-
ping early. See the many
gift items displayed - pot-
tery, knitting, sewing,
toys, candles, miniature
metal sculptures, as well
as the regular Flea Market
items. Home made baking,
take out food and lunch
will be available.
The Ladies Auxiliary,
Branch 129, Royal Canadian
Legion, Haliburton,
are sponsoring this sale to
be held on Saturday, Oc-
tober 9, 1982 starting at 10
a.m. in the Legion Hall.
This will be our last Flea
Market for 1982. We ex-
pect to hold sales again in
1983. Watch this paper for
future dates. Our monies
help the Legion develop
National and United Spirit
and help them to strive for
peace. Various other or-
ganizations have benefited
as well - churches, the
Happy Gang, Fort Irwin
Residents Association, etc.
We all thank you for your
support. 23-P-6

26. PERSONAL

DEAR J.P.:
Happy first birthday to our
favourite "Wale"! Love,
T.D.R.
26-P-6

HAPPY BIRTHDAY to
Donald J. Finn from his
FAITHFUL, LOYAL,
HARD WORKING staff. In
case you do not recognize
any of the above, they are
the ones you are taking to
the races. 26-CA-6

27. THANK YOU

THE INGOLDSBY CU-
TIES would like to thank
all who helped support the
park fund by purchasing
tickets on the two batik
paintings. Winners of the
draw were Peter Roberge,
Lindsay, and Cecil Burk,
Minden. 27-P-6

I would like to express
my thanks to my family,
friends and neighbours for
the cards, visits, flowers,
gifts, phone calls and bas-
kets of fruit during my stay
at St. Joseph's Hospital,
Peterborough.
Shirley Stamp
27-P-6

I wish to express our
thanks to Mr. Bill Scott
and other members of
Kinmount Fair Board for
making it possible to have
our first Kinmount Dairy
Goat Show. To the mem-
bers of the Kawartha Dairy
Goat Club for their help
and support.
A special thanks to Fran
Baker for being our judge
and doing a fine job, and
Jack Spiers for speaking
on the score points of the
Dairy Goats.
Last but not least, and
without whom a show
would be impossible, the
people near and far who
came to show some very
fine animals. We hope we
will see you all again next
year.
Many Thanks,
Kawartha Dairy Goat
Society Member,
Sharon Greer
27-P-6

I would like to thank all
who made our 60th an-
niversary September 29
such a success.
Also many thanks to La-
dies' Auxiliary for a lovely
supper and for the use of
the Legion.
Also many, many thanks
to all our family for their
part in our celebration and
thanks again to Jack Ged-
ney for his very enjoyable
music for dancing.
Thanks Again,
Howard and Hattie Ackley
27-P-6

28. BIRTHS

HUGHES, Larry and
Jeanne are very happy to
announce the safe arrival
of a son, RYAN DAVID, on
September 25, 1982.
Ryan's very proud big
sister is Andrea. Many
thanks to Doctor Heyes
and all the nurses at the
Haliburton Red Cross
Hospital. 28-P-6

FEARREY - Peter and Ra-
chel (nee Schell) are
pleased to announce the
safe arrival of their daugh-
ter, ERIN MCKELL, born
September 22, 1982, at
Peterborough Civic Hos-
pital. A new little sister for
Angela. Special thanks to
Dr. R.H. Heyes, Dr. S.
Bethune, and Dr. T.
Froats. 28-P-6

PEARSELL - Deeno and
Charlene are pleased to
announce the safe arrival
of their first child, ABBEY
LEIGH. Abbey was born
September 22, 1982 at the
Haliburton Red Cross
Hospital, weighing 6 lbs,
15 oz. We appreciate the
thoughtfulness of our re-
latives and friends and ex-
tend special thanks to Dr.
Karl Hartwick and the
nursing staff of the hos-
pital. 28-P-6

30. WEDDINGS

MR. AND MRS. ROBERT
STEPHEN MCCAREY are
pleased to announce the
forthcoming marriage of
their daughter, KATH-
RYN PATRICIA to MR.
TERRANCE ARTHUR
LLOYD, son of Mr. and
Mrs. Donald Ray Lloyd on
Saturday, October sixteen
at St. Paul's Anglican
Church, Minden, Ontario.
30-P-6

31. DEATH NOTICES

AT REST
At the Red Cross Hospital,
Haliburton, on Thursday,
September 30, 1982

IRWIN VICTOR
JOHNSTON
In his 73rd year.

Beloved husband of Evel-
yn Perry; dear father of
Terry of Brampton and
Bonnie (Mrs. Roberts) of
Bramalea; loving grand-
father of Perry, Susan and
David; and dear brother of
Greta, Clifford, Hazel,
Thelma, Wilford, Hilden,
Irene and predeceased by
Ray.

Restored at the Gordon A.
Monk Funeral Home,
Minden, for funeral ser-
vice in the Chapel on Sa-
turday, October 2, at 2
p.m. Interment at South
Willberforce Cemetery.
31-CA-6

AT REST
COSGROVE, MARY
PATRICIA
(nee Stephenson)

On Thursday, September
30, 1982, at Peel Memorial
Hospital, Brampton, after
a lengthy illness, bravely
fought, was called into the
loving arms of God. Her
presence, friendship,
courage and sweet love
will be sorrowfully missed
with secret tears and me-
mories. Loving and de-
voted mother of Elizabeth
Anne and Harold John.
Daughter of Harry and the
late Elizabeth Stephenson.
Dear sister of Margaret
(Mrs. Sam Arthurs) of
Georgetown, Betty Jean
(Mrs. Gwilym Evans) of
Brampton, Agnes (Mrs.
Jim Cardinell) of Halibur-
ton and Carol Stephenson
of Toronto. Rested at the
Leo Archdekin Funeral
Home, Brampton. Funeral
Service was Saturday, Oc-
tober 2, 1982 at 10 a.m.
from St. James the Apostle
Anglican Church, 3 Cath-
edral Road, Brampton. In-
terment Brampton Cem-
etery. As expressions of
sympathy, remembrances
may be made to the Can-
adian Cancer Society or St.
James the Apostle An-
glican Church (Building
Fund) would be ap-
preciated. 31-P-6
